Aspen Special Edition coupe

**New Dodge Aspen. For a small car, it's unbelievable.**

So many people want a small car that offers big-car comfort and ride without big-car bulk and weight. The Dodge Aspen has achieved just that with solid engineering breakthroughs. Breakthroughs such as a unique Isolated Transverse Suspension System that gives you a comfortable big-car ride. Great

road visibility. Ample room for six (five in coupe). And a full range of luxury options. Unbelievable in a small car. The new Aspen coupes give you a choice of opulence in three separate series: Aspen, Aspen Custom, and Aspen Special Edition. The Aspen has attractive brightwork on the outside; a spacious interior with stylish, low-back seats, supple upholstery, carpeted floor, and armrests. Aspen Custom lets you

choose from two levels of interior elegance: the standard Oxford vinyl bench seats and the optional sporty bucket seats. Aspen Special Edition coupe is laden with luxury touches: 60/40 split vinyl seat with driver and passenger recliners and center armrests, premium wheel covers, carpeted trunk, special body striping and a landau vinyl roof with opera windows.

# ASPEN

All the room and comfort you could ask for are yours in Aspen, Aspen Custom, and Aspen Special Edition sedans. They're built on a 112.5-inch wheel-base. That's small enough for maneuverability and handling, and large enough to provide for big-car room inside. In fact, some big cars won't give you as much front seat headroom or rear seat legroom. Unbelievable

small-car room and comfort. The proof is yours in an Aspen ride.

1. Aspen Special Edition sedan.
2. Aspen coupe with R/T package.
3. Optional bucket seats for Aspen Special Edition coupe; upholstered in new glove-soft vinyl.
4. Optional interior for Aspen Custom sedan; durable, breathable all-vinyl.

5. Optional luxury for the Aspen Special Edition coupe; 60/40 split front seat in cashmerelike cloth.
6. Functional, modular instrument panel.
7. Optional power door locks.
8. Optional six-way power seats.
9. Optional power windows.

Dart Swinger 2-door hardtop

**Dart. The value car is more than ever a Dodge success story.**

No doubt about it... the Dodge Dart is one of America's great success stories. It's a favorite with nearly 1.65 million current owners. That's because it's a true value car. Dart is big enough for most families, yet small enough to fit a small garage, a small parking space... and almost any pocketbook. It's powerful enough to handle expressway

driving, yet agile enough to maneuver through heavy city traffic. No doubt about Dart's operating economy either. Dart's standard 225 CID Six has always been among the leaders in stretching a gallon of gas. Team it up with Dodge's optional Overdrive 4 transmission and you save even more. You can get the Dart Sport Convertriple options, too. Sun roof and fold-down rear seat (with

security panel) that converts the rear seat and trunk space into a carpeted cargo area. Dodge Dart for 1976; Dart Swinger, Dart Swinger Special, Dart sedan, and Dart Sport. Each has a little something different going for it; but each gives roominess, economy, and such value features as Electronic Ignition, Unibody construction, and torsion-bar front suspension. All the value you demand in a success car.

# DART

1. Dart Sport — the lowest priced Dart.

2. Dart sedan — the ideal plan for the family man.

3. Handsome cloth-and-vinyl bench seat is standard on the Dart Swinger Special and Sport.

4. Dart Decorator package with low-back vinyl seats, Boca Raton cloth

inserts, special door trim panels, color-keyed shag carpeting, wood-grained instrument panel, deluxe steering wheel; optional on Dart Sport.

5. Optional Custom package for Dart sedan — deluxe cloth-and-vinyl seats, color-keyed carpeting, rear seat armrests, wood-grained instrument panel, special mouldings, nameplates, and appliques.

6. Optional rallye road wheels add a sporty touch.

7. Fully instrumented panel is standard on Dart Sport, Dart Swinger, and Dart sedan.

8. Optional manual sun roof lets in the fun of the sun.

Charger Special Edition 2-door hardtop

**Charger. For '76, four sporty hardtops that look and perform like real movers.**

Charger Special Edition is a sporty luxury car. One look will tell you why. Charger's a classic. From the distinctive front end to the handsome rear quarter windows available with optional louvers. Inside, Charger Special Edition is just as good-looking as out. With standard bucket seats and plush shag carpeting. And what a joy to drive. Power steering,

automatic transmission, and a deluxe sound package seem to compel you to get behind the wheel and escape in a world that's uniquely Charger.

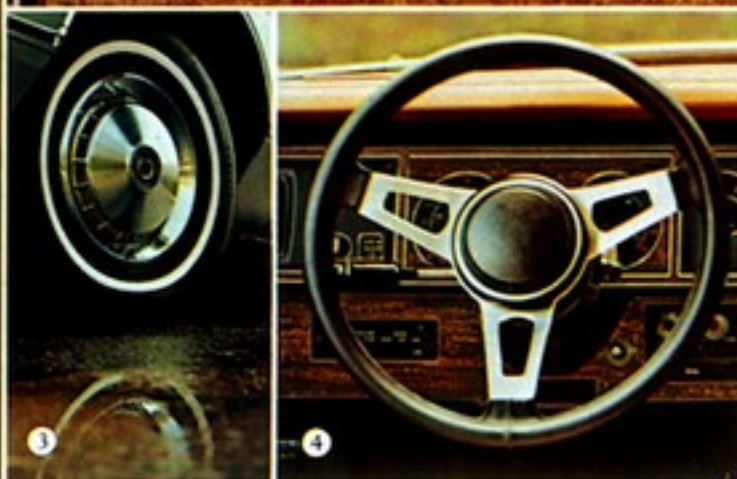

The Charger Daytona version abounds with those decorative trim items that say "sporty car." Paint treatments are two-tone colors with special body taping. The dual sport mirrors and body side mouldings are color-keyed. Charger Daytona decals on the doors,

fenders, and deck lid. Black textured grille with brightwork accents. And steel-belted radial tires with white sidewalls.

Charger Sport's great looks are only a hint of the comfort you'll find inside. Standard velour seats feature a fold-down center armrest, with all-vinyl bucket seats as a "no-cost" option. That quality is carried out all around, too! With luxury touches on the instrument

Charger Sport 2-door hardtop

panel and door panels. Why, even the exterior sports deluxe wheel covers and stylish color-keyed vinyl body mouldings. And under it all, there beats the heart of Charger. A spirited, yet efficient, 318 CID V8. Just turn it on. It'll do the same for you.

Charger hardtop is the budget-minded Charger. It's got all the good looks and great styling you'd expect in a Charger. The interior cradles you with glove-soft

vinyl seats. Or choose cloth-and-vinyl seats. At no extra cost! Want more? Charger's got it. Color-keyed carpeting, stylish body mouldings, and money-saving features such as Electronic Ignition are all standard. The Charger hardtop. It'll make you a Charger. No matter how little you want to spend.

1. Standard sporty buckets in Charger Special Edition. All-vinyl upholstered in seven color choices. Console shown is

optional.

2. Optional electronic digital chronometer—accurate to within 60 seconds a month (Charger SE and Daytona).

3. Standard wheel covers for Charger Special Edition.

4. Optional Tuff steering wheel is thickly padded, gives a firm feel at the wheel.

# CHARGER

Coronet Brougham 4-door sedan

**Coronet. A great family car because Dodge planned it that way.**

The Coronet is comfortable, tucks in a family with ease, and doesn't sacrifice style. The reason for that is simple: It

was designed to be a four-door sedan and nothing else. You and your five passengers get all the hip-, head-, and legroom you need. Door openings are large for easy ins and outs. And Coronet's trunk has plenty of room for a family's gear. A family car should also be economical to operate. The gas-saving 225 Slant Six is available with Coronet

sedan. With Coronet's large gas tank and "no cost" optional 2.45 axle on V8s, you can get real cruising range for long trips. A wide range of options that includes the tilt steering wheel that adjusts to your driving comfort. Plus the Dodge value features people want: solid Unibody construction, stable torsion-bar suspension, money-saving Electronic Ig-

# CORONET

Coronet 4-door sedan

1. Slip into something comfortable—the standard front bench seat for Coronet models. Upholstered in cloth and vinyl with color-matching vinyl door trim. Five color choices, color-keyed carpeting.

2. Large 25.5-gallon fuel tank with 318 CID V8 for long-distance driving.

3. Distinctive hood ornament marks the Coronet Brougham.

4. Ample trunk space in the Coronet—19.4 cu. ft. More than enough room for groceries, luggage, or whatever.

Royal Monaco Brougham 2-door hardtop

Monaco. A distinctive measure of what most people buy full-sized cars for. For many people, there is no substitute for the roominess, comfort, security, and convenience of a full-sized car. Dodge Monaco has a full measure of the things such buyers look for: generous hip-, leg-, and shoulder room; ample trunk space; a stable, quiet big-car ride, and all the standard conveniences that

make driving pleasurable. Power steering, power front disc brakes, automatic transmission, and V8 engines. Luxury is standard, too, in elegant versions like the Royal Monaco Brougham with opera windows, vinyl roof, and individually adjustable 50/50 front seats in plush interiors. Dependability and durability are built in with advancements such as Electronic Ignition, solid-

state voltage regulator, and Unibody construction. Invest in a distinctive measure of full-sized comfort, luxury, and convenience...Dodge Monaco for '76.

1. Optional interior for Royal Monaco Brougham, upholstered in velour, with fold-down center armrests, individually adjustable seats, shag carpeting.

Royal Monaco 4 door sedan

# MONACO

- 2. Royal Monaco's all-vinyl front bench seat with fold-down center armrest.
- 3. Optional AM/FM multiplex stereo radio.
- 4. Diplomat package features landau vinyl roof, opera windows, decorative steel roof band. Available only on Royal Monaco Brougham two-door hardtop.

- 5. True hardtop window styling with roll-down quarter windows on Royal Monaco.
- 6. Optional power-operated sun roof; available on all Monacos except wagons.
- 7. Optional automatic speed control.
- 8. No-cost optional interior for Royal Monaco sedans and hardtops: cloth-and-vinyl upholstery, fold-down center

- armrest. Standard in all-vinyl.
- 9. Cloth-and-vinyl upholstered standard interior for Monaco sedans.
- 10. Optional vent windows available on all Monaco sedans and wagons.
- 11. Modular wood-grained instrument panel; functional, easy to read, use, and service.

Aspen Special Edition wagon

1

2

**Dodge wagons. For '76, they give you practicality plus uncommon luxury and comfort.**

1. Aspen wagons are all-wagon. Roomy and comfortable. Their convenient one-piece tailgate opens to a cargo area that measures 71.9 cubic feet. The liftgate opening is nearly four feet wide and 27.6 inches high and is completely unobstructed for easy loading and unloading. Total load capacity is 1100

pounds. Choose the Aspen or Aspen Special Edition (shown above), both two-seat versions.

2. Standard interior for the Aspen Special Edition wagon is vinyl with color-keyed carpeting and door panels.  
3. Coronet is a mid-sized wagon that can carry a four-by-eight-foot sheet of plywood laid flat—even with the door-gate closed. But with all its space, Coronet is easy to handle. Standard

automatic transmission, power front disc brakes, and heavy-duty suspension help account for that. A three-way door-gate opens flat, or to the side, with the window up or down. Handy side storage compartments stow away the little things that can clutter up the cargo floor. Choose Coronet or Coronet Crestwood. Each available with two or three seats.

4. The 60/40 divided bench seat,

# WAGONS

optional on the Crestwood wagon, features the fold-down center armrest and individually adjustable reclining seat backs.

5. A full-sized wagon should be able to do a day's work and then take you out on the town in style. For 1976, Dodge Monaco offers you three wagon models that do just that: Royal Monaco Brougham (shown above), Royal Monaco, and Monaco. Each gives you

wagon-sized luxury, comfort, and 100.8 cubic feet of cargo space. Monaco wagons come in two- or three-seat versions, depending upon model selected. All models feature power steering, power front disc brakes, automatic transmission, a 400 CID V8 engine, and power door-gate windows.

6. Standard all-vinyl Royal Monaco Brougham wagon 50/50 front bench seat features fold-down center armrests

and passenger recliner.

7. If it's a sports wagon you're after, choose the Dodge Sportsman. Available in three different sizes. Including Maxiwagon, Dodge's biggest, most popular wagon.

8. For truck toughness and car comfort, choose Dodge Ramcharger. Seats up to five. And goes almost anywhere with optional four-wheel drive.

1. Power steering makes it easier to turn and maneuver in traffic and parking spaces.  
2. Six-way power seat lets you choose the seating position that's most comfortable.  
3. Power windows permit the driver to open and close all windows; individual window controls also included.  
4. Power door locks let the driver lock all doors automatically.  
5. Set the automatic speed control, and it maintains the driving speed selected.  
6. Power front disc brakes provide the quick, sure stops needed in emergencies.

7. Stylish bumper guards help protect against damage.
8. Rallye road wheels for a sporty machine look.
9. Styled road wheels for a custom car appearance.
10. Trunk carpeting cushions and protects valuable luggage and stowed gear.
11. Roof luggage rack for wagons permits loading on top when cargo area is occupied.
12. Add an optional vinyl roof for that finished look.
13. Audio systems match your listening taste, from monaural to stereo radios with tape decks.
14. Metal sun roof lets in the sunshine and fresh air.
15. Side vent windows improve front seat circulation; available on four-door Monacos.
16. Electrically heated rear window defroster removes ice, snow, and condensation.
17. Air conditioning provides comfort on the hottest days; controls for rapid cool-downs and fresh outside air cooling.
18. Tuff steering wheel is thickly padded, gives a sure feel to the wheel. Other deluxe steering wheels available.
19. Electronic digital clock is accurate to within 60 seconds a month.
20. Doorgate Auto-Lock for wagons automatically locks the doorgate when the engine is turned on (N/A Aspen).

## Dodge optional equipment. Adds to appearance, convenience, and performance.

## HERE'S "THE CLINCHER."

"For the first 12 months of use, any Chrysler Motors Corporation Dealer will fix, without charge for parts or labor, any part of our 1976 passenger cars we supply (except tires) which proves defective in

normal use, regardless of mileage." Of course, the owner is responsible for maintenance service such as changing filters and wiper blades.

### FUEL ECONOMY INFORMATION

The official U.S. EPA test results for 1976 model year vehicles were not available at the publication date of this catalog. A special supplement has been prepared and sent to your Dealer for inclusion in this catalog. If it has not already been inserted, please ask your Dealer for a copy. It contains the official fuel economy ratings for the 1976 Dodge cars.

All product illustrations and specifications are based on authorized information. Although all descriptions are believed correct at publication approval, accuracy cannot be guaranteed. Some of the equipment shown on product illustrations is optional at extra cost. Automotive Sales Division reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors, and materials, and to change or discontinue models.
