

1979 FORD
WAGONS
from America's Wagonmaster

Ford LTD • Fairmont • Pinto • Club Wagon

(A) LTD Country Squire Wagon

(B) LTD Wagon

(C)

(C)

(D)

Good news for big wagon owners...from the Wagonmaster.

If you have a large family, love the outdoors or need a double-duty work-and-play vehicle, Ford can fix you up in style. For 1979, the LTD Wagon and Country Squire models have been completely redesigned. There's more hip room, a wider second seat with increased leg and knee room so you can carry six people in comfort (eight with optional dual facing rear

seats). There's plenty of cargo capacity as well. With the second seat down you get a cargo volume index of 91.7 cu. ft. And even with the seats in use, there's space between the second and third seats for cargo storage. Standard power team is a 5.0 litre (302 CID) V-8 with variable venturi carburetor and SelectShift automatic transmission.* Also standard are power steering, power front disc/rear drum brakes, and steel-belted radial ply tires.

(A) LTD Country Squire Wagon. Shown in Dark Cordovan Metallic (8N), a new paint choice. In addition to its distinctive Cherrywood vinyl bodyside trim, the Country Squire has the Landau chrome-plated grille design, dual rectangular headlamps with wraparound parking lamps.

(B) LTD Wagon with Tu-Tone paint/tape treatment shown in Medium Blue Glow (3H) and Midnight Blue Metallic (3L). New for '79 are the distinctive grille and

single rectangular headlamps. Other standard features include bright window frames, wheel lip moldings, hood ornament, and (except with Tu-Tone paint) color-keyed vinyl insert bodyside moldings.

(C) 3-Way Magic Doorgate, another Better Idea that originated with the Wagonmaster. It opens like a door (window up or

down) for close-up loading, or swings down like a platform (for tailgate picnic, as an example). Power tailgate window is standard.

(D) Dual Facing Rear Seats. An exclusive for Ford LTD wagons. Seats are wider than last year and legroom is improved. They also provide seating for two extra passengers. Or, with seat cushions removed, you have 7.6 cu. ft. of underfloor stowage space. This option now includes a rear bumper step pad, carpeted footwell,

and cargo light with courtesy switch (light and switch standard on Squire and included in Light Group option on LTD Wagon).

LTD Wagon and Country Squire Notable Standard Features:

- 5.0 litre (302 CID) VV (variable venturi) V-8 with DuraSpark Electronic Ignition*
- SelectShift automatic transmission
- Power steering
- Power front disc/heavy-duty rear drum brakes
- Steel-belted radial ply BSW tires with 6.5 inch

- wheels
- Ford Motor Company Lifeguard Design Safety Features
- All-vinyl bench seat
- Color-keyed, removable load floor carpeting
- Two lockable stowage compartments, one below the cargo floor, the other in the left rear side panel
- 3-Way Magic Doorgate with power window
- Single rectangular headlamps (LTD Wagon)
- Dual rectangular headlamps (Country Squire)
- Spare tire extractor
- Deluxe wheel covers
- Heavy-

- duty frame
- LH remote control mirror (Country Squire)
- Electric clock (Country Squire)
- Courtesy light switches (Squire).

*5.0 litre (302 CID) VV V-8 required with California Emission System on Country Squire and 2V V-8 with High Altitude Emission System. See EPA gas mileage estimates on back cover.

Note: Some items shown are optional. See Ford LTD catalog for complete listing and more detailed information.

See specifications, page 4; color code reference, back cover.

FORD LTD WAGON INTERIORS

New standards of LTD luxury.

Here's wagon luxury you can feel as well as see. The LTD interior seat fabrics* are rich looking. A case in point is the new Interior Luxury Group option offered on the Country Squire.

(A) Interior Luxury Group in velour cloth (also available in super-soft vinyl). The color is Dark Red (MD), one of the five choices in the Squire. Note the individually adjustable reclining split bench seats—each with its own center armrest. Other luxurious features of this option group include elegantly finished door panels with full length armrests and carpeted lower sections. Seat backs have assist straps and map pockets. Upper trim panels of the front and rear doors feature assist straps which are both functional and decorative. Also included in the group is a Luxury Sound Insulation Package, luxury carpeting, and Luxury Group instrument panel.

(B) DuraWeave vinyl trim. Shown in Cordovan (MY). DuraWeave is Ford's exclusive "wonder" fabric that looks and breathes like fine cloth but has the wear and cleaning characteristics of vinyl. This optional fabric is offered also in Dark Red, Medium Wedgewood Blue, Pine Green, and Camel with flight bench seat (shown) or split bench seats.

(C) LTD Wagon Interior—bench seat. The standard LTD Wagon and Country Squire interior trim is all vinyl on a bench seat. Shown here in Pine Green (BR). For other color availabilities, see B, above.

(D) Interior Luxury Group Instrument Panel features high gloss woodtone appliques matched with woodtone accents in the luxury 4-spoke steering wheel (shown with fingertip speed control). On the steering column are combined controls for washer/wiper, turn signals, headlamp dimmer, and horn. Centered in the panel is the new electronic digital clock. See D, page 5.

LTD Wagon Specifications

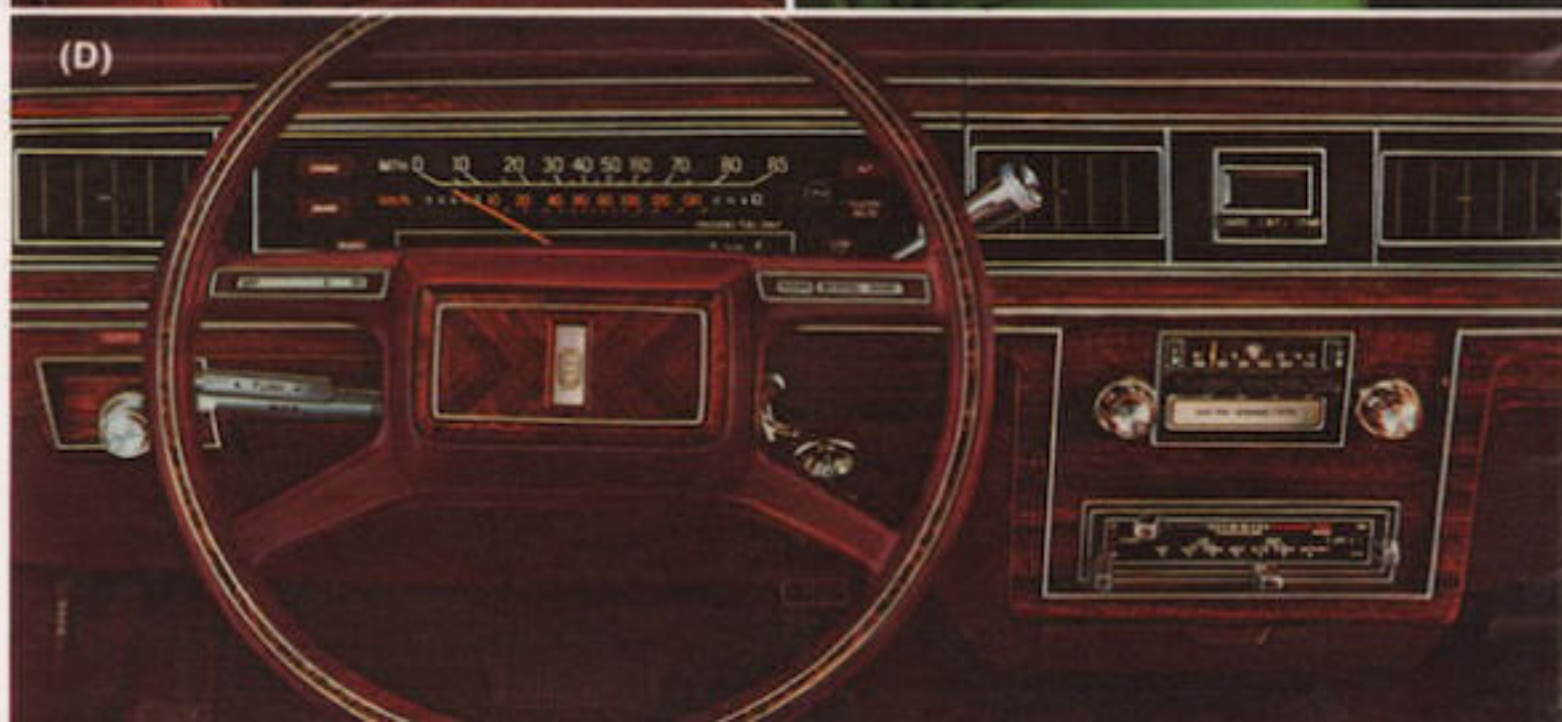

Wheelbase	114.3"
Overall Length	214.7"
Overall Width	79.3"
Passengers	6*
Fuel Capacity	20 gal.
Cargo Compartment	
Volume Index	91.2 cu. ft.**
Length	91.1"
Min. Width	48.2"†

*Eight with optional dual facing rear seats.

**Plus 9.9 cu. ft. of lockable below-deck stowage (5.7 cu. ft. with optional dual facing rear seats in place, 7.6 cu. ft. with seat cushions removed).

†Room enough to carry 4' x 8' plywood sheets flat.

For more details on options, see Ford LTD catalog.

**Consult your Ford Dealer for availability.

†Req. with Calif. (Country Squire) and high altitude emission system.

(A) Fairmont Squire

Another popular seller from the Wagonmaster.

The 5-passenger Fairmont 4-door wagon, built by Ford—America's Wagonmaster—has a lot going for it. Fairmont wagon's popularity stems from the fact that it offers so much for so little. Good, solid wagon attributes like space, convenience, comfort and style. Fairmont has excellent EPA estimates, with the economical 2.3 litre engine and 4-speed manual transmission.* The Fairmont wagon offers roominess,

too. With the rear seat folded down you get 79.1 cu. ft. of cargo space. The load platform is almost 7 ft. long and up to 4 ft. wide (36 in. between wheelhousings). Altogether, Fairmont has a lot of space for passengers or cargo or both.

(A) Fairmont Squire. Shown in Burnt Orange Glow (5N), the Squire Option is the top of the Fairmont wagon line and offers our finest in looks and luxury. It features woodgrain vinyl bodyside

and liftgate, woodtone rail surround, deluxe wheel covers, bright window frames, bright belt moldings, bright LH outside mirror, hood ornament, Squire script and Interior Accent Group.

(B) Lockable storage box, an option, gives you a convenient, concealed space (camera and gadget bag fit neatly) to stow valuables safely out of view while traveling.

(C) Rear window wiper/washer. This wagon option helps you clear the liftgate window of dust, dirt, rain or snow.

Operates in the same manner as your front windshield wipers and washers.

(D) Fairmont Wagon with Exterior Decor Group. Shown here in Bright Red (2P). This option comes with dual mirrors, bright window frames, vinyl insert bodyside moldings, bright wheel lip moldings, hood ornament and turbine wheel covers.

(E) Fairmont Wagon with Exterior Accent Group. This option comes with bright rocker panel and wheel lip

(B)

(D) Fairmont Wagon
with Exterior Decor Group

(C)

(E) Fairmont Wagon
with Exterior Accent Group

moldings, deluxe wheel covers, LH outside mirror, and hood ornament. Shown in Light Chamois (83).

**Fairmont Wagon

- 2.3 litre 4-cylinder engine with DuraSpark Electronic Ignition
- Floor-mounted, fully synchronized, 4-speed manual transmission
- Rack and pinion steering
- Front disc brakes with lining wear indicators
- Aluminum bumpers

- Steel-belted radial 14" BSW tires
- Ford Motor Company Lifeguard Design Safety Features
- All-vinyl low-back bucket seats
- Color-keyed carpeting
- Steering column mounted controls: 1. windshield wiper/washer, 2. turn signal/horn
- Single rectangular headlamps
- Bright grille, headlamp and parking lamp bezels
- Inside day/night mirror
- Folding second seat with one-hand quick release
- Liftgate with concealed hinges and gas-filled strut assist cylinders
- Liftgate "open" warning

- light
- Cargo area light
- Level load floor with no rear sill
- Color-keyed cargo area carpeting.

Note: Some items shown are optional. See Fairmont catalog for complete listing and more detailed information.

See Specifications, page 8; color code reference, back cover.

*See EPA gas mileage estimates on back cover.

FORD FAIRMONT WAGON INTERIORS

The inner beauty of Fairmont.

Fairmont has beauty and style on the inside, too, as you will see when you look over the handsome interiors shown here. There's a wide selection to choose from. All interiors, unless otherwise noted, are available in these 1979 colors: Medium Red, Light Wedgewood Blue, Black, and Chamois. Sporty bucket seats or full-width bench seats are offered depending on your choice of power teams (see C and D). Or you can have a flight bench seat (see A).

(A) Interior Decor Group—flight bench seat. This option looks luxurious and it is. Here's what is included: flight bench front seat with fold-down armrest, trimmed in either crushed velour—shown in Black (HA) or all-vinyl option. Deluxe door trim with bright accents and woodtone panel appliques and richly carpeted lower panels. Color-keyed headlining, sun visors and cut-pile carpeting. Plus Convenience Group which includes: RH visor vanity mirror, cigarette lighter, rear seat ashtray, glove box lock and inside hood release.

(B) Interior Accent Group—bucket seats. Pleated vinyl trim or handsome plaid cloth with vinyl trim, as shown here in Light Wedgewood Blue (LB), is a separate option. Other Accent Group equipment: carpeted lower liftgate panel, deluxe sound package and deluxe steering wheel hub.

(C) Fairmont Interior—bench seat. Pleated waffle-weave cloth in Medium Red (FD) is another inviting Accent Group offering. Bench front seat comes with 3.3 litre (200 CID) Six and 5.0 litre (302 CID) V-8 engine options.

(D) Fairmont Interior—standard bucket seats. Shown in Red (AD) wicker-weave pattern vinyl. Handsome, individually adjustable all-vinyl bucket seats are standard in Fairmont models with 2.3 litre engines, while bench seats with vinyl trim are included with 3.3 litre (200 CID) and 5.0 litre (302 CID) optional engines. (Floor-mounted shift for automatic transmission available with bucket seats only.)

(E) Interior Decor Group instrument panel has warm, woodtone appliques and a special 4-spoke luxury steering wheel. Dials and controls are well marked and easy to read. Five functions are combined in two column-mounted controls for simplicity and convenience.

Fairmont Wagon Specifications

- Steel-belted radial ply tires in black or white sidewall and Raised White Letter styles. Consult your Ford Dealer for the tires best suited to your kind of driving.

Wheel Covers/Wheels

- (H)** Styled Steel Wheels/Trim Rings (4).

For more details on Fairmont wagon standard and optional equipment, see the Ford Fairmont catalog.

FORD PINTO WAGONS

(A) Pinto Squire Wagon

Pinto Wagon... A new design...inside and out.

For 1979, Pinto features a striking new front grille with integral parking lamps. Single rectangular headlamps. Stylish new hood and fenders plus the new bumpers with black end sections. Inside, there's a brand-new instrument panel cluster. And Pinto is roomy. Roomy enough for four adults, plus 31.3 cu. ft. of cargo, with the rear seat up. Or two adults and 57.2 cu. ft. with the seat down.

Pinto's 2.3 litre overhead cam 4-cylinder engine with 4-speed manual floor-mounted transmission has excellent EPA estimates. * Pinto also has rack and pinion steering and 94.8-inch wheelbase so it handles easily, even in tight spots.

(A) Pinto Squire Wagon. This handsome option features: Interior Decor Group which includes low-back bucket seats with deluxe trim, deluxe door trim, deluxe steering wheel, woodtone appliques on the instrument panel, manual transmission shift knob and parking brake handle,

color-keyed deluxe belts with tension eliminator, day/night inside rearview mirror, passenger door courtesy light switch, rear seat ashtray, Sound Insulation Package, and color-keyed load floor carpeting. The Squire exterior has a bright grille, bright headlamp doors, woodtone vinyl bodyside and liftgate paneling. Shown in Tangerine (85).

(B) Pinto Pony Wagon. Here's America's lowest priced station wagon, even with its very impressive list of standard equipment. For example: 2.3 litre OHC 4-cylinder

engine with DuraSpark Electronic Ignition, floor-mounted, fully synchronized, 4-speed manual transmission, front disc brakes, rack and pinion steering, front bumper guards, bias ply 13" BSW tires, all-vinyl cloth-and-vinyl high-back front bucket seats, color-keyed carpeting, full wheel covers (4), bright window moldings, and Pony decal. Plus a lot more. ** Shown in Light Chamois (83).

(C) Pinto Wagon with Rallye Pack. Shown here in Dark Jade Metallic (46) this option includes: Charcoal grille and headlamp

(B) Pinto Pony Wagon

(D) Pinto Wagon with Exterior Decor Group

(C) Pinto Wagon with Rallye Pack

(E) Pinto Wagon with Cruising Package

doors. Black lower bodyside window frames and greenhouse moldings. Dual sport mirrors. Front spoiler. White-painted styled steel wheels with trim rings (4). Rallye bodyside tape. Black luggage rack. Inner and outer quarter panel filler panels with integral portholes. Plus Sport Package. See C, page 13. (Check with your dealer for availability.)

(D) Pinto Wagon with Exterior Decor Group. Shown in Medium Blue Glow (3H), this wagon gives you quality transportation, plenty of cargo space and good

looks in the bargain. Shown with Exterior Decor Group. See page 13.

(E) Pinto Wagon with Cruising Package. Shown in White (9D) with graphics. This option includes: blackout treatment on door frames and windshield molding. Black dual sport mirrors. Charcoal-colored grille and headlamp doors. Blackout treatment on windshield moldings, on the forward portion of the upper quarter panel, rocker panel, backlight moldings. Inner and outer filler panels with portholes. Multicolor paint/tape treatment on the

bodyside quarter panel and rear decklid. Also available without graphics. Black liftgate louvers. White-painted styled steel wheels with trim rings (4). Plus a Sports Package (see C, page 13).

Pinto Wagon

Notable Standard Features

- 2.3 litre OHC 4-cylinder engine with DuraSpark Electronic Ignition
- Floor-mounted, fully synchronized, 4-speed manual transmission
- Rack and pinion steering
- Front disc brakes
- Aluminum bumpers with black end sections
- Deluxe

- Bumper Group
- Radial ply 13" BSW tires
- Liftgate "open" warning light
- Pivoting rear quarter windows
- Load floor rubber mat
- All-vinyl or cloth-and-vinyl high-back bucket seats
- Color-keyed carpeting, instrument panel, steering wheel and column
- Electric rear window defroster
- AM radio
- Tinted glass
- Fold-down rear seat
- Full wheel covers.**

*See EPA gas mileage estimates on back cover.
**Standard equipment varies in California. See your Ford Dealer.

Note: Some items shown are optional. See Pinto catalog for complete listing and more detailed information.

FORD PINTO WAGON INTERIORS

Combining comfort with style!

For '79, Pinto's emphasis is on comfort and style. It's got good-looking bucket seats up front and bucket-style rear seats. An all-new instrument cluster that's more visible and easier to read than before. Other niceties include color-keyed carpeting, AM radio (may be deleted for credit), DirectAire ventilation system, tinted glass all-around and electric rear window defroster.* All interior choices are available in Black (HA), Red (HD), Wedgewood Blue (HB) and Chamois (DT). Tangerine (DJ) is an additional choice with the Decor Group.

(A) Interior Decor Group—cloth/vinyl.

For distinct styling, check this sporty plaid trim. Pictured in Chamois (DT), deluxe low-back bucket seats. It is also available in all vinyl, as shown in (C), at no extra cost. The Interior Decor Group option also includes: deluxe steering wheel, woodtone appliques on instrument panel, shift knob area and parking brake handle, color-keyed deluxe seat belts, day/night inside rearview mirror, passenger door courtesy light switch, deluxe door trim, rear seat ashtray, Deluxe Sound Insulation Package, cigarette lighter, color-keyed parking brake boot and load floor carpeting. Standard on Squire Wagon.

(B) Standard Interior—cloth/vinyl. If you like a bold, colorful look, this eye-catching striped pattern is for you. The high-back bucket seats are shown in Black (GA).

(C) Interior Decor Group—all vinyl. This luxurious-looking soft vinyl can be selected instead of the cloth and vinyl, as shown in A, at no extra cost. The deluxe low-back buckets shown here are in Wedgewood Blue (HB).

(D) Standard Interior—all vinyl.

Smart-looking vinyl trim is easy to keep clean. Shown here in Red (AD), high-back bucket seats.

(E) New '79 instrument cluster. Features new large, rectangular pods to highlight the speedometer, odometer, warning lights and gas gauge. So stylish, plus they're highly visible and easy to read. There's also a sportier looking dash.

FORD CLUB WAGONS

(A) Captain's Club Wagon

Welcome to the "Club!"

For 1979, the Better Ideas keep coming from Ford. The Wagonmaster announces a new Club Wagon designed to make your leisure travel time even more enjoyable. It's the Captain's Club Wagon. See details and description in A.

Built Ford Tough.

Ford Club Wagons are constructed with a separate body and frame. Rubber mounts insulate the body from the frame. And

this is just one comfort feature. The ladder frame provides a firm base for Ford's famous Twin-I-Beam front suspension, and gives you a towing capacity (with trailer towing package option) rated up to 8,000 lbs. That's Ford Tough!

Plenty of Room in the Rear.

With the engine and front axle well forward, there's plenty of room to move around or in and out. And for '79, handsome Custom and Chateau trim levels

are available on short wheelbase models, as well as long.

Take Your Pick.

Your Club Wagon choices are wide and varied. You may have either a 124" or 138" wheelbase Club Wagon or 138" wheelbase Super Wagon.

(A) Captain's Club Wagon. Welcome aboard the new Captain's Club Wagon! The exterior features deluxe accent

combination Tu-Tone paint, bodyside accent tape stripe and Privacy™ glass. Shown in Walnut Glow (7) with Light Sand (U) accent. The Captain's Club Wagon is available on Chateau models only.

(B) Captain's Club Wagon Interior.

Designed for those who like to spend their leisure time in comfort and style. There are Quad Captain's Chairs that recline and swivel, a snack/game table between front and rear chairs, plus a

(B)

(D)

(C) Chateau Super Wagon

(E) Custom Club Wagon

combination rear seat/bed (on 138" wheelbase only). Also included: dual beam dome/map lights, rich cut-pile carpeting, cloth and vinyl seat trim, and deluxe headliner with insulation.

(C) Chateau Super Wagon. The Chateau Super Wagon offers you many luxury features in addition to or in place of what you get with the Custom Club Wagon. Shown above is the Chateau Super Wagon

that provides 20 more inches of inside length over regular 138-in. wb. Club Wagons. Choose the 15-passenger seating option, or seating plans for 4, 5, 7, 8, 11, or 12, with lots of room for luggage and goods.

(D) Custom Interior. Features a woodtone instrument panel applique, full-length floor mat and headlining both with insulation.

(E) Custom Club Wagon is shown in Camel Glow (Z) with Dark Brown Metallic

(H) accent. In addition to or in place of features offered on the Standard Club Wagon, the Custom has bright hub caps, bright taillight bezels, bright vent and rear window frames and Custom nameplate.

Standard Club Wagon (not shown). This one has a lot going for it. Standard equipment includes: sliding side door, painted bumpers, hub caps and 5x8-inch mirrors. Standard interior includes all-vinyl trim,

front compartment headliner, armrests, sun visors, two dome lights and full-width padded instrument panel. The grille and rectangular headlamps are new for '79.

Note: For standard equipment, options and more detailed information, see 1979 Ford Club Wagon catalog. Some items shown here are optional.

Notes

CORROSION PROTECTION. Ford takes steps to see that your new Ford Wagon is engineered and built to high quality standards. And in order to help keep your Ford Wagon looking new, we incorporate the use of pre-coated steels, such as galvanized steel and chromium/zinc-rich primer coated steel, vinyl sealers, aluminized wax in critical areas and enamel as a finishing coat.

LOW SCHEDULED MAINTENANCE. Scheduled maintenance requirements on Ford wagons have been substantially reduced since 1975. For example, with all except E-350 Club Wagons, the recommended maintenance schedule is now 12 months or 10,000 miles (7,500 miles with V-8 engines) between scheduled oil changes. This is just a small part of the comprehensive program, which, *in total*, can lower the cost of scheduled maintenance. Your Ford Dealer can give you more details regarding the particular Ford wagon in which you are interested.

COLOR AND TRIM CODES. Car colors and trims are coded, example: Bright Red (2P). Your Ford Dealer will be pleased to show you color samples of paint and trim materials.

OPTION AVAILABILITY. Some features presented are optional at extra cost. Some options are required in combination with other options. Availability of some models and features described may be subject to a slight delay. Ask your Ford Dealer for the latest information on options, prices and availability.

PRODUCT CHANGES. Ford Division reserves the right to change specifications at any time without incurring obligations.

TESTED TOUGH

REPLACEMENT PARTS. Be sure to specify genuine Ford-approved parts, Motorcraft parts from your Ford Dealer.

Ford LTD EPA Gas Mileage Estimates
