Finer Performance for Every Purpose

**T**HE Oldsmobile Six chassis, with the many mechanical advancements that have established the Oldsmobile as a car of finer performance, is graced with a variety of body styles.

From among the group, you may

select one that will meet any requirements of professional, social or personal use. The duty and performance of these Oldsmobile models are more striking because of Oldsmobile's extremely low first cost. In appointments each surpass that which may be expected.
