

GT LIMITED IN OBSIDIAN BLACK

*Source: The Car Book 2005 by Jack Gillis, 2005 model †See dealer for LIMITED WARRANTY details.

Some cars just don't get by unnoticed. This is especially true of the 2006 Tiburon, inside and out. From its sleek, distinctive looks to its exhilarating performance, the Tiburon is pure excitement. In fact, its performance and safety rate so high, it was named a "Best Bet" by Jack Gillis in The Car Book 2005*. What's more, the Tiburon comes with America's Best Warranty†—a warranty that's so impressive, it's unsurpassed by any other car company. Not surprising for a car that can't help but stand out in a crowd.

GT IN STERLING SILVER

- 17-INCH, 5-SPOKE ALLOY WHEELS WITH MICHELIN® PILOT 215/45R17 TIRES STANDARD ON V6 MODELS
- 4-WHEEL INDEPENDENT SUSPENSION
- 4-WHEEL DISC BRAKES
- ANTI-LOCK BRAKING SYSTEM
- FRONT AND REAR STABILIZER BARS

2.7-Liter V6 Engine

The SE, GT and new GT Limited all feature the 2.7-liter, 24-valve, DOHC V6 engine. It's one responsive performer, whether you're hitting the open road or just running a quick errand or two around town.

6-Speed Manual Transmission

The Tiburon SE's smooth-shifting 6-speed manual transmission is perfectly matched with its 2.7-liter V6 engine. In fact, you could say that they were made for each other.

THE THRILL OF DRIVING BEGINS BEFORE YOU EVEN TURN THE KEY.

GT INTERIOR

Power Switches

Push-button convenience is at your fingertips with the Tiburon's standard power door locks and side mirrors. The power windows feature driver's auto-down and a lock-out button.

Sport Seats

The ultimate in comfort and racing-inspired style, the Tiburon SE and GT's front-bucket and rear seats boast black leather bolsters with red stitching and red sport-grip seat cloth.

Premium Audio System

We know music matters. So an Infinity® 440-watt stereo with 6-disc in-dash CD changer, sub-woofer and amplifier is available on the GT and comes standard on the GT Limited.

Aluminum Foot Pedals

The SE exclusively features aluminum foot pedals with black slip-resistant grips, adding to the Tiburon's already sporty statement. Now that's putting pedal to the metal.

There's no denying it. The inside of the Tiburon is simply a great place to be. A range of refined yet sporty features are available, including a high-performance, 440-watt sound system, leather-wrapped steering wheel and metalgrain interior trim. Plus, the GT Limited steps it up with a power sunroof and premium beige leather interior. So enjoy your Tiburon from the inside out.

GT INTERIOR

- MULTI-ADJUSTABLE FRONT BUCKET SEATS
- TILT STEERING COLUMN
- 50/50 SPLIT FOLD-DOWN REAR SEATBACK
- ORANGE-ILLUMINATED INSTRUMENT PANEL
- BEIGE LEATHER-TRIMMED INTERIOR ON GT LIMITED

Behind every thrill-seeking Tiburon lies a serious commitment to safety. An Anti-lock Braking System, dual front airbags¹ and front seat-mounted side-impact airbags are standard. As well as front adjustable shoulder belt height anchors and seatbelt pretensioners with force limiters in all seating positions to help secure you and your passengers.

GT INTERIOR

Seatbelt Pretensioners

Tiburon's front seatbelt pretensioners tighten the driver and front passenger shoulder belts during a frontal impact. This reduces the occupants' forward movement and helps position them for optimal effectiveness of the airbags.

Structural Integrity

The Tiburon's reinforced steel unibody construction, steel side-impact door beams, front and rear crumple zones, hood-buckling creases and safety stops all help lessen the effect of an impact on the cabin.

Steering Column

The energy-absorbing steering column is an important and standard safety feature. In fact, a recent NHTSA report* reveals that it is second only to the seatbelt system as an effective safety device to protect the driver in a frontal collision.

* NHTSA's Findings on Energy-Absorbing Steering Columns. The October 2004 NHTSA report, "Lives Saved by Federal Motor Vehicle Safety Standards and other vehicle safety technologies 1960-2002," credits energy-absorbing steering columns with having saved 53,000 lives since the technology first appeared in vehicles in 1968.

¹ The Supplemental Restraint (airbag) System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which should be worn at all times. Children under the age of 13 should be restrained securely in the rear seat. NEVER place a rear-facing child seat in the front seat of a vehicle that has a passenger-side airbag.

GT IN ELECTRIC RED AND SE IN SUNBURST YELLOW

The more in tune you are with your vehicle, the more pleasure you'll get from your driving experience. To keep you well-informed, the trip computer on V6 models calculates range, average speed and drive-time information, and includes a trip odometer. The SE's exclusive center multi-gauge display unit is equally forthcoming, keeping you up to speed on torque, fuel consumption and voltage. Proving once again that in every good relationship, communication is key.

SE IN MOONLIT BLUE

From every angle, the Tiburon is designed to move you—even when it's at a complete standstill. Its sleek, aerodynamic design is enhanced by a bodycolor rear spoiler, sculpted rocker panels, a deep front air dam and projector-type halogen headlights—features that not only enhance performance, but leave quite an impression in the process. No matter which way you look at it.

2006 TIBURON

GS

STANDARD FEATURES INCLUDE:

- 2.0-LITER, 16-VALVE, DOHC 4-CYLINDER ENGINE WITH CONTINUOUSLY VARIABLE VALVE TIMING
- 5-SPEED MANUAL TRANSMISSION
- 4-WHEEL INDEPENDENT SUSPENSION
- 4-WHEEL DISC BRAKES
- ANTI-LOCK BRAKING SYSTEM (ABS)
- 16-INCH, 5-SPOKE, ALUMINUM-ALLOY WHEELS WITH P205/55R16 MICHELIN® TIRES
- AM/FM/CD AUDIO SYSTEM WITH SIX SPEAKERS
- FRONT FOG LIGHTS
- AIR CONDITIONING
- DUAL FRONT AIRBAGS
- FRONT SEAT-MOUNTED SIDE-IMPACT AIRBAGS
- POWER WINDOWS, DOOR LOCKS AND HEATED SIDE MIRRORS
- CENTER CONSOLE WITH ARMREST, STORAGE AND DUAL CUPHOLDERS
- REMOTE KEYLESS ENTRY WITH ALARM AND PANIC ALERT
- 50/50 SPLIT FOLD-DOWN REAR SEATBACK
- LOW BODYCOLOR REAR SPOILER
- CHROME-TIPPED DUAL EXHAUST OUTLETS
- PROJECTOR-LENS HEADLIGHTS

GT

INCLUDES ALL STANDARD GS FEATURES PLUS:

- 2.7-LITER, 24-VALVE, DOHC V6 ENGINE
- 17-INCH, 5-SPOKE, ALUMINUM-ALLOY WHEELS WITH 215/45R17 MICHELIN® TIRES
- AM/FM/CD/CASSETTE AUDIO SYSTEM WITH SIX SPEAKERS
- FULLY AUTOMATIC TEMPERATURE CONTROL SYSTEM W/ OUTSIDE TEMPERATURE DISPLAY
- BLACK LEATHER-BOLSTERED SEATS WITH RED STITCHING AND RED SPORT-GRIP SEAT CLOTH
- BLACK LEATHER-WRAPPED STEERING WHEEL WITH RED STITCHING
- BLACK LEATHER-WRAPPED SHIFT KNOB
- BLACK LEATHER DOOR INSERTS WITH RED STITCHING
- CRUISE CONTROL
- MULTI-FUNCTION TRIP COMPUTER
- METALGRAIN INTERIOR TRIM
- DELUXE CUT-PILE CARPETING
- CARPETED FLOOR MATS
- LUGGAGE NET

GT LIMITED

INCLUDES ALL STANDARD GT FEATURES PLUS:

- BEIGE LEATHER-TRIMMED INTERIOR
- POWER TILT-AND-SLIDE SUNROOF
- SIDE TURN-SIGNAL REPEATER LIGHTS
- INFINITY® 440-WATT AM/FM/CASSETTE SIX-SPEAKER AUDIO SYSTEM WITH 6-DISC IN-DASH CD CHANGER AND SUBWOOFER

SE

INCLUDES ALL STANDARD GT FEATURES PLUS:

- 6-SPEED MANUAL TRANSMISSION
- RED ALUMINUM FRONT BRAKE CALIPERS
- POWER TILT-AND-SLIDE SUNROOF
- KENWOOD® 200-WATT AM/FM/CD/MP3 AUDIO SYSTEM
- AIR CONDITIONING (EXCLUDES FULLY AUTOMATIC TEMPERATURE CONTROL SYSTEM)
- MULTI-GAUGE INSTRUMENTATION FOR TORQUE, VOLTAGE AND FUEL CONSUMPTION
- ALUMINUM FOOT PEDALS
- HIGH BODYCOLOR REAR SPOILER

Optional Equipment

You should always use genuine Hyundai parts and accessories, which meet strict standards for quality and durability.

Power Sunroof

A power tilt-and-slide sunroof lets in fresh air and sunshine by day, and a clear view of the stars by night. It's standard on the Tiburon GT Limited and SE and optional on GS and GT.

Automatic Transmission

The 4-speed automatic transmission is available on the GS, GT and GT Limited and features SHIFTRONIC® sport mode for the option of clutchless manual shifting.
