Cimarron

A WORD ABOUT THIS CATALOG: We have tried to make this catalog as comprehensive and factual as possible and we hope you find it helpful. However, since the time of printing, some of the information you will find here may have been updated. Also, some of the equipment shown or described throughout this catalog is available at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date.

The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Cadillac dealer for complete information.

A PROUD AMERICAN NAME LIVES ANEW...

The Chisholm Trail . . . the Comstock . . . the Rio Grande . . . the Missouri . . . the Cimarron. Proud names that fired the imagination of Americans a century ago.

Names that promised adventure and freedom. Names that stood for the fortitude and skill of those who had the courage to pioneer new territories. Names that became monuments to a new way of looking at things and then doing them better.

And now, the name Cimarron lives again to lead the way in a Cadillac offering of a new kind of compact car from General Motors . . . a new kind of Cadillac for a new kind of Cadillac owner.

This is Cimarron by Cadillac. A name Americans can be proud of today.

Cimarron

THIS IS THE NEW
Cimarron

42 HWY. EST. 26 EPA EST. MPG*
WITH CADILLAC COMFORT AND QUALITY.

QUICK-HANDLING...
ROAD-HUGGING...
RESPONSIVE.

At first glance, you know Cimarron is a different kind of luxury car. Beneath the beautiful, hand-buffed Cimarron exterior finish is the exclusive Cadillac-tuned touring suspension. As much at home on a demanding Alpine road as it is relaxed on the Interstate. Front-wheel drive pulls you over wet,

snowy surfaces with truly impressive traction. MacPherson struts up front and semi-independent rear suspension are ready to do battle with potholes and puddles. And stabilizer bars, front and rear, give you an added measure of firmness in tight turns.

THIS IS THE NEW
Cimarron

WITH ALL THIS STANDARD...AN
EXTRAORDINARY VALUE.

OTHER STANDARD FEATURES INCLUDE...

Air conditioning • AM/FM stereo radio with four speakers (extended range in rear) and digital clock (may be deleted for credit) • transverse-mounted engine to help provide interior roominess • electrically remote controlled outside rearview mirrors • locking fuel filler door with built-in fuel cap holder to prevent cap loss • extensive anti-corrosion measures • dual color painted accent stripes • copper-nickel-chrome-plated bumpers • bumper guards, end caps and rub strips • body side moldings

• reclining front bucket seats with adjustable contoured headrests • deluxe front floor console • seatback and front door pockets • side window and rear window defoggers • Cadillac specific rear axle arm bushings for ride firmness *and* smoothness • passenger visor vanity mirror • assist handles • courtesy lights • rear seat armrest • Soft Ray tinted glass • controlled cycle wipers • tungsten halogen highbeam headlamps • dual-tone horn *and much, much more.*

FEATURES AVAILABLE INCLUDE...

Removable Vista-Vent sunroof with rear tilt-open feature (will reduce headroom) • three-speed automatic transmission with torque converter clutch and performance 3.18:1 final drive ratio • GM Continuous Protection Plan (see your Cadillac dealer for details) • four-speaker AM/FM stereo radio with cassette player • cruise control • tilt steering wheel • power door locks • power windows • electric remote deck lid release • six-way power front seats • deck lid luggage rack • door edge guards • carpeted floor mats front and rear • trunk mat • illuminated visor vanity mirrors for driver and passenger • white stripe steel-belted radially ground tires • heavy-duty battery • heavy-duty radiator • engine block heater • California emissions • high altitude emissions.

Leather-wrapped steering wheel.

Front-wheel drive.

Fully independent MacPherson strut front suspension.

Power-assisted rack and pinion steering with responsive 14:1 steering gear ratio.

Four-speed manual overdrive transmission. (Three-speed automatic available at extra cost.)

Aluminum alloy wheels ...with computer-matched radially ground tires.

Genuine leather seating areas.

Tachometer and engine gauges.

42 HWY. EST. ²⁶ EPA EST. MPG with manual transmission. Use estimated mpg for comparison. Your mileage may differ depending on speed, distance, weather. Actual highway mileage lower.

Stabilizer bars—front and rear.

Semi-independent rear suspension with load-compensating variable rate springs.

Nine hand-buffed exterior finishes including four exclusive metallics: Superior Blue, Autumn Amber, Garnet and Columbian Brown.

Body-contoured bucket seats with lumbar support.

One-piece stampings for doors and body side panels for a precise fit.

Same front legroom as some full-size cars.

YOU ARE IN COMMAND.

Slip behind the leather-wrapped steering wheel. Relax into the body-contoured perforated leather-faced bucket seat with lumbar support. This...is Cimarron by Cadillac. With full instrumentation ...including tachometer, oil pressure

gauge and voltmeter. And four-speed manual or optional three-speed automatic transmission. Isolated from road noise by the acoustical insulation package. With air conditioning at hand. Go on...turn the key. You are in command.

Nimble. Road-hugging. And fun to drive.
This...is Cimarron. An efficient new kind of
Cadillac for a new kind of Cadillac owner.

With the traction of front-wheel drive...MacPherson
strut front suspension...power-assisted rack and
pinion steering...and Cadillac's exclusively tuned,
road-hugging touring suspension.

Plus, it has special Cadillac touches...including

genuine perforated leather seating areas...air
conditioning...leather-wrapped steering wheel...
Trianon deep-pile carpeting...carpeted trunk...full
instrumentation including tachometer and more.
Along with the same front legroom as some full-size
cars and front power disc brakes. All standard.

*Use estimated mpg for comparison. Your mileage may differ
depending on speed, distance, weather. Actual highway mileage
lower.

A WORD ABOUT ASSEMBLY, COMPONENTS AND OPTIONAL EQUIPMENT IN THIS CADILLAC.

Cimarron is Cadillac's offering of General Motors all-new compact J-vehicle. The Cimarron described in this brochure is assembled at facilities of General Motors Corporation operated by GM Assembly Division for Cadillac Motor Car Division. These vehicles incorporate thousands of different components produced by various divisions of General Motors and by various suppliers to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Cadillac products with different components or differently sourced components than initially

scheduled. All such components have been approved for use in Cadillac products and will provide the quality performance associated with the Cadillac name.

With respect to extra cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask the dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your car includes the optional equipment you ordered or if there are changes, that they are acceptable to you.

A WORD ABOUT ENGINES. Cadillacs are equipped with GM-built engines produced by various divisions. See your dealer for details.

THE CADILLAC COMMITMENT.

We believe that when you buy or lease a Cadillac, you deserve to be treated like a Cadillac owner. And when you take your car in for service, you have the right to expect the type of consideration traditionally reserved for Cadillac owners. We intend to keep that tradition alive.
