PRINTED IN USA.

EVERY is a huge job description. With TITAN[®] XD you've got the tools you need. Like the awesome capability of a Cummins[®] diesel pumping out 555 lb-ft of torque. 12,300 lbs. of towing capacity.¹ A gooseneck hitch to give you more ways to tow.¹ All held together by a massive chassis and commercially proven components underneath, and a smart, spacious cabin up top. The new 2016 Nissan TITAN[®] XD. The sense of a light-duty, with the heart of a heavy **DUTY**.

See TITAN[®] XD in action at bit.ly/titan_videos

¹Maximum towing capacity when properly equipped. Based on internal testing of pre-production vehicle. Final capacity may vary. Cummins[®] engine only. Towing capacities vary by configuration. See Nissan Towing Guide and Owner's Manual for proper use. Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo will affect the handling and stability of the vehicle. Cummins[®] is a registered trademark of Cummins Inc.

Nissan TITAN[®] XD Platinum Reserve shown in Forged Copper.

TOW UP TO 12,300 LBS.^{1,2,3}

More ways to bring it. Whatever you need to tow, TITAN[®] XD's been engineered to handle it. With a choice of trailer hitch or gooseneck towing,¹ you've got incredible flexibility. And with features including Tow/Haul Mode, Trailer Brake Controller, and Trailer Sway Control, you go with confidence and control.^{1,2,3}

MAXIMUM TOWING ^{1,2,3}	12,300 lbs.
MAXIMUM PAYLOAD ^{1,2,4}	2,500 lbs.

TOWING MADE EASY.^{1,2,3}

The TITAN[®] XD's innovative Trailer Light Check makes it easy to tow – even when you're going solo. Once you've hooked up your trailer, you can easily check all brake light connections by cycling through the lights with your Nissan Intelligent Key.[®] No muss, no fuss, no help needed.^{1,2,3}

BUILT ON A STRONG FOUNDATION.

It all starts with a solid core, and TITAN[®] XD gives you a solid base with a full-length, fully boxed ladder frame, reinforced in key areas for incredible lateral rigidity. From there, we attach components, many of them tried and proven from our Nissan Commercial Vehicles program. It all adds up to strength, durability, and reliability you can count on for years to come.

ON THE LOOKOUT.

Around View[®] Monitor. With its super-size screen, it's easy to use TITAN[®] XD's Around View[®] Monitor to line up to a trailer. And with the system's virtual 360° bird's-eye view, you've got excellent visibility to help you maneuver even in crowded spots.^{1,5,6}

¹Available feature. ²Pre-production model shown. Estimate based on internal testing of pre-production vehicle. Actual performance may vary. ³Maximum towing capacity when properly equipped. Based on internal testing of pre-production vehicle. Final capacity may vary. Cummins[®] engine only. Towing capacity varies by configuration. See Nissan Towing Guide and Owner's Manual for proper use. ⁴Maximum payload capacity when properly equipped. Based on internal testing of pre-production vehicle. Final capacity may vary. Endurance[®] gas V8 engine only. Payload capacity varies by configuration. See Nissan Towing Guide and Owner's Manual for proper use. ⁵Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁶Virtual composite 360° view.

CUMMINS® TURBO DIESEL.

Legendary power, reliability, and efficiency. Under TITAN® XD's hood beats the heart of a beast — an available 5.0-liter, V8 turbo-diesel built by legendary manufacturer Cummins®. Boasting a 4-valve-per-cylinder DOHC design, with a two-stage turbo and ceramic glow plugs, it's as modern as it is powerful.

310

HORSEPOWER³

555

LB.-FT. OF TORQUE

ENDURANCE® V8 GAS ENGINE

Technical knock-out. TITAN® XD's 5.6-liter, Endurance® V8 gas engine combines brains and brawn. With a 4-valve-per-cylinder, Nissan Direct Injection System and Variable Valve Event and Lift (VVEL), you've got the power you want with the efficiency you need.

390

HORSEPOWER⁴

401

WORK READY.

Versatility and 2,500 lbs. of maximum payload.¹ TITAN® XD's hard-working truck bed is the partner you need to get the job done. Along with over a ton of available payload, you've got available features like a factory-applied, spray-on bedliner; a 5-channel, Utili-track® cargo system with heavy-duty aluminum cleats; and removable, locking in-bed storage. And with flush-mounted LED bed lighting, you're good to go day or night.²

FULL-SIZE STRENGTH.

¹Maximum payload capacity when properly equipped. Based on internal testing of pre-production vehicle. Final capacity may vary. Endurance® V8 gas engine only. Payload capacity varies by configuration. See Nissan Towing Guide and Owner's Manual for proper use. ²Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo

HEAVY-DUTY ATTITUDE.

will affect the handling and stability of the vehicle. ³Estimate based on internal testing of pre-production vehicle. Actual performance may vary. ⁴Pre-production model. Estimate based on internal testing of pre-production vehicle. Actual performance may vary. Pre-production gas V8 engine shown. ⁵Available feature. Cummins® is a registered trademark of Cummins Inc.

MASTER MULTI-TASKER.

Thanks to flexible rear-seat storage, you can make the most of TITAN® XD's spacious cabin. The rear seatback folds forward to create a work desk. Or, flip up the seat bottom to create space for taller items. The lockable rear-seat cargo organizer helps keep things secure and out of sight, and the container's top even folds out to create a flat floor for easy loading.^{2, 5}

CHOOSE YOUR TRIM LEVEL

S

5.6-liter 32-valve V8 engine with 7-speed automatic transmission (late availability), optional Cummins® 5.0-liter DOHC 32-valve V8 Turbo Diesel engine with Aisin® 6-speed automatic transmission and Bosch® ceramic glow plugs, hill start assist, 14" front and rear vented disc brakes, 17" styled steel wheels with all-season tires, dampened assist locking tailgate, Easy Clean® vinyl flooring, 40/20/40 split bench front seat with flip down center seat, column shifter with manual shift mode, Remote keyless entry with Push Button Ignition, NissanConnectSM with Mobile Apps,¹ hands-free text messaging assistant,² Bluetooth® Hands-free Phone System,³ illuminated steering wheel-mounted audio and cruise controls, six cup holders and eight bottle holders, manual sliding back window, AM/FM/CD audio system with 5.0" color display, streaming audio via Bluetooth® wireless technology,³ USB connection port,⁴ Vehicle Dynamic Control (VDC) with Traction Control System (TCS)

Pre-production model shown. ¹Driving is serious business. Only use features when safe to do so. App availability is dependent upon vehicle model, trim level, packaging, and/or options. See NissanUSA.com/connect for complete app availability details. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Compatible smartphone required. Cellular network and GPS signals not available in all areas and/or at all times. Technology is evolving, and changes by independent companies are not within Nissan's control. Nissan is not responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks) or other third party changes. Should a third party provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan and its agents or affiliates. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See NissanUSA.com/connect for details. Thirty-six (36) month trial period begins on your date of vehicle purchase or lease of a new Nissan; subsequently a paid subscription is required (excluding Pandora,® if Pandora® app via NissanConnectSM is equipped on vehicle) at the then current rate to continue to receive services. Text rates and/or data usage may apply. ²Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. ³Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. See NissanUSA.com/bluetooth for details. ⁴Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ⁵Required monthly subscriptions sold separately for each available SiriusXM feature after trial period, and are continuous until you call SiriusXM to cancel. Installation costs, one-time activation fee, other fees and taxes will apply. Each SiriusXM feature availability is dependent upon vehicle model, trim level, packaging, and/or options, and may only be available in select markets. Satellite Radio U.S. service, NavWeather® service, and SiriusXM Travel Link® services (if any of the foregoing features are equipped on vehicle) available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. © 2015 Sirius XM Radio Inc. Sirius® XM® and all related marks and logos are trademarks of Sirius XM Radio Inc. ⁶Driving is serious business and requires your full attention. Only use feature when safe to do so. Compatible smartphone required. Availability of specific feature is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by independent companies not within Nissan's control. Should service provider terminate/restrict service, service may be suspended or terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment replacement or upgrades, or associated costs, that may be required for continued operation due to service changes. Siri® Eyes Free is a registered trademark of Apple, Inc. ⁷Driving is serious business. Only use NissanConnectSM Services powered by SiriusXM® when safe to do so. Late availability for some features. Services, including automatic crash notification and SOS, are dependent upon the telematics device being in an operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach NissanConnectSM Customer Care or receive support. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. You are responsible for using Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Cellular network not available in all areas and/or available at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Nissan's or Sirius XM Radio Inc.'s control. Neither Nissan nor Sirius XM are responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan, SiriusXM and/or their respective agents or affiliates. Certain services require a PIN for activation. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See NissanUSA.com/connect for details. Enrollment is required to receive full suite of services. Six (6) month trial period begins on your date of vehicle purchase or lease of a new Nissan; subsequently a paid subscription is required at the then current rate to continue to receive services. Text rates and/or data usage may apply. ⁸AVM with MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicles speeds below 5 mph. Pre-production model shown. ¹Estimate based on internal testing of pre-production vehicle. Actual performance may vary. ²Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ³Information displayed is dependent on how vehicle is equipped. ⁴Driving is serious business. Only use features when safe to do so. App availability is dependent upon vehicle model, trim level, packaging, and/or options. See [NissanUSA.com/connect](#) for complete app availability details. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Compatible smartphone required. Cellular network and GPS signals not available in all areas and/or at all times. Technology is evolving, and changes by independent companies are not within Nissan's control. Nissan is not responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks) or other third party changes. Should a third party provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan and its agents or affiliates. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See [NissanUSA.com/connect](#) for details. Thirty-six (36) month trial period begins on your date of vehicle purchase or lease of a new Nissan; subsequently a paid subscription is required (excluding Pandora[®] if Pandora[®] app via NissanConnectSM is equipped on vehicle) at the then current rate to continue to receive services. Text rates and/or data usage may apply. ⁵Driving is serious business. Only use NissanConnectSM Services powered by SiriusXM[®] when safe to do so. Late availability for some features. Services, including automatic crash notification and SOS, are dependent upon the telematics device being in an operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach NissanConnectSM Customer Care or receive support. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. You are responsible for using Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Cellular network not available in all areas and/or available at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Nissan's or Sirius XM Radio Inc.'s control. Neither Nissan nor Sirius XM are responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and

with no liability to Nissan, SiriusXM and/or their respective agents or affiliates. Certain services require a PIN for activation. Subscription Agreement required and terms and conditions of Subscription Agreement apply. Please refer to your phone Owner's Manual for details. Bluetooth[®] word mark and logos are owned by Bluetooth SIG, Inc. and any use of such marks by Nissan is under license. See [NissanUSA.com/bluetooth](#) for details. Text rates and/or data usage may apply. Certain services, including Siri[®], are provided by independent companies not within Nissan's control. Should service provider terminate/restrict service, service may be suspended or terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment replacement or upgrades, or associated costs, that may be required for continued operation due to service changes. Siri[®] Eyes Free is a registered trademark of Apple, Inc. ⁷Required monthly subscriptions sold separately for each available SiriusXM feature after trial period, and are continuous until you call SiriusXM to cancel. Installation costs, one-time activation fee, other fees and taxes will apply. Each SiriusXM feature availability is dependent upon vehicle model, trim level, packaging, and/or options, and may only be available in select markets. Satellite Radio U.S. service, NavWeather[®] service, and SiriusXM Travel Link[®] services (if any of the foregoing features are equipped on vehicle) available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at [siriusxm.com](#). © 2015 Sirius XM Radio Inc. Sirius[®], XM[®] and all related marks and logos are trademarks of Sirius XM Radio Inc. ⁸Availability of specific features is dependent upon the phone's Bluetooth[®] support. Please refer to your phone Owner's Manual for details. Bluetooth[®] word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. See [NissanUSA.com/bluetooth](#) for details. ⁹Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ¹⁰State laws may apply; review local laws before using. ¹¹Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. ¹²VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. ¹³Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ¹⁴Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. ¹⁵MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. ¹⁶TPMS is not a substitute for regular tire pressure checks. ¹⁷Vehicle must be on for the Easy-Fill Tire Alert to operate. ¹⁸Maximum payload capacity when properly equipped. Based on internal testing of pre-production vehicle. Final capacity may vary. Endurance[®] V8 gas engine only. Payload capacity varies by configuration. See Nissan Towing Guide and Owner's Manual for proper use. ¹⁹Maximum towing capacity when properly equipped. Based on internal testing of pre-production vehicle. Final capacity may vary. Cummins[®] engine only. Towing capacity varies by configuration. Aisin[®] is a registered trademark of Aisin Seiki Kabushiki Corporation.
