EL CAMINO

EL CAMINO SS. DRESSED TO THRILL.

Versatile new El Camino offers you a lot to start with. Then offers you a lot more.

The available El Camino SS package is rock and roll for the eyes. It has a special aerodynamic front-end design, machine-turned aluminum side

moldings, SS decals and special handle inserts from an independent supplier. It's available in three exterior colors and up to five interior colors. See your Chevy dealer. He can arrange to have this special package installed.

In addition, you can option a roof air spoiler, power-bulge hood and nonfunctional side pipes. Required options for the El Camino SS package are white-lettered radial tires with the new all-seasons tread, Rally wheels, plus dual Sport mirrors and heavy-duty cooling.

A 3.8 Liter V6 is standard and a 5.0 Liter V8 is available.

Want more? Check out the options on the back cover. El Camino lets you be bold or laid back your way. Turn the page to see how hard El Camino can work and how the other El Caminos can turn heads, too.

Shown here: El Camino, in Black with available SS package. Special hood treatment (non-functional), shielded sporty side pipes (non-functional) and pickup-box side rails are optional.

Tires supplied by various manufacturers.

Important: A word about this catalog. We have tried to make this catalog as comprehensive and factual as possible and we hope you find it helpful. However, since the time of printing, some of and specialized equipment from various independent suppliers at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date. The right is reserved to make

the information you will find here may have been updated. Also, some of the equipment shown or described throughout this catalog is available as factory-installed options, dealer accessories changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

**THERE'S
NO SUCH THING
AS A PLAIN
EL CAMINO.**

No way. If you're looking for plain vanilla styling, you're reading the wrong catalog, as these El Caminos so dramatically prove.

El Camino Sport Decor, shown right, is an attention-getting model with a front air dam, dual Sport mirrors, Rally wheels, black quarter window moldings, decal striping, and accent paint on the lower body.

El Camino Conquista, shown right/below, is an exterior option that highlights the performance styling of the standard El Camino with a bright molding package and special Two-Tone paint.

The standard El Camino, shown right/center, is sleek and jammed with value. It comes with automatic transmission, power steering, and low-drag front disc brakes. Air adjustable rear shock absorbers help prevent "bottoming out" under heavy loads. New all-seasons-tread steel-belted radial ply tires are also included.

**TOTE THAT BARGE.
HAUL THAT BALE.**

Every El Camino has a pickup box that can haul up to 35.5 cu. ft. of cargo with a payload of 1,250 lbs. with standard equipment, including passengers, cargo and equipment. And properly equipped, El Camino can tow up to 5,000 lbs., including trailer, cargo and equipment.

**CHOOSE GAS OR OPTIONAL
DIESEL POWER.**

El Camino lets you choose from the standard 3.8 Liter V6 or optional 5.0 Liter V8 gas engine for additional power.

Optional diesel power is yours in the 5.7 Liter Diesel engine, except in California.

Tires supplied by various manufacturers.

El Camino Sport Decor in Light and Dark Blue Metallic.

Standard El Camino in Bright Silver Metallic.

El Camino Conquista in Two-Tone Light Maroon Metallic/Maroon Metallic.

NEVER A DULL MOMENT.

New available bucket seats recline for extra comfort and are trimmed in Standard Cloth with a choice of three colors. Shown left in Blue.

You can also enjoy available air conditioning, AM/FM stereo radio with cassette, a gage package with trip odometer and clock, and a new free-

standing shift console with an integral transmission lever.

Available Electronic Speed Control with resume feature also allows you to increase or decrease the set speed 1 MPH at a time.

Other seating options include an available Custom interior (right) that features a

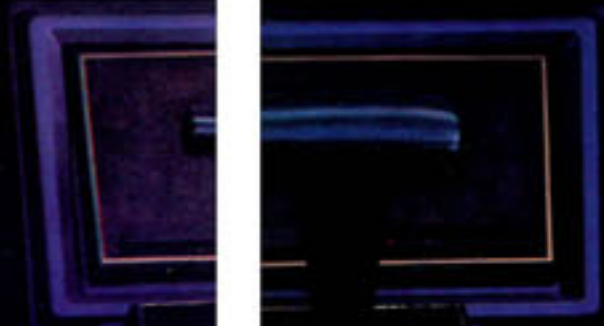

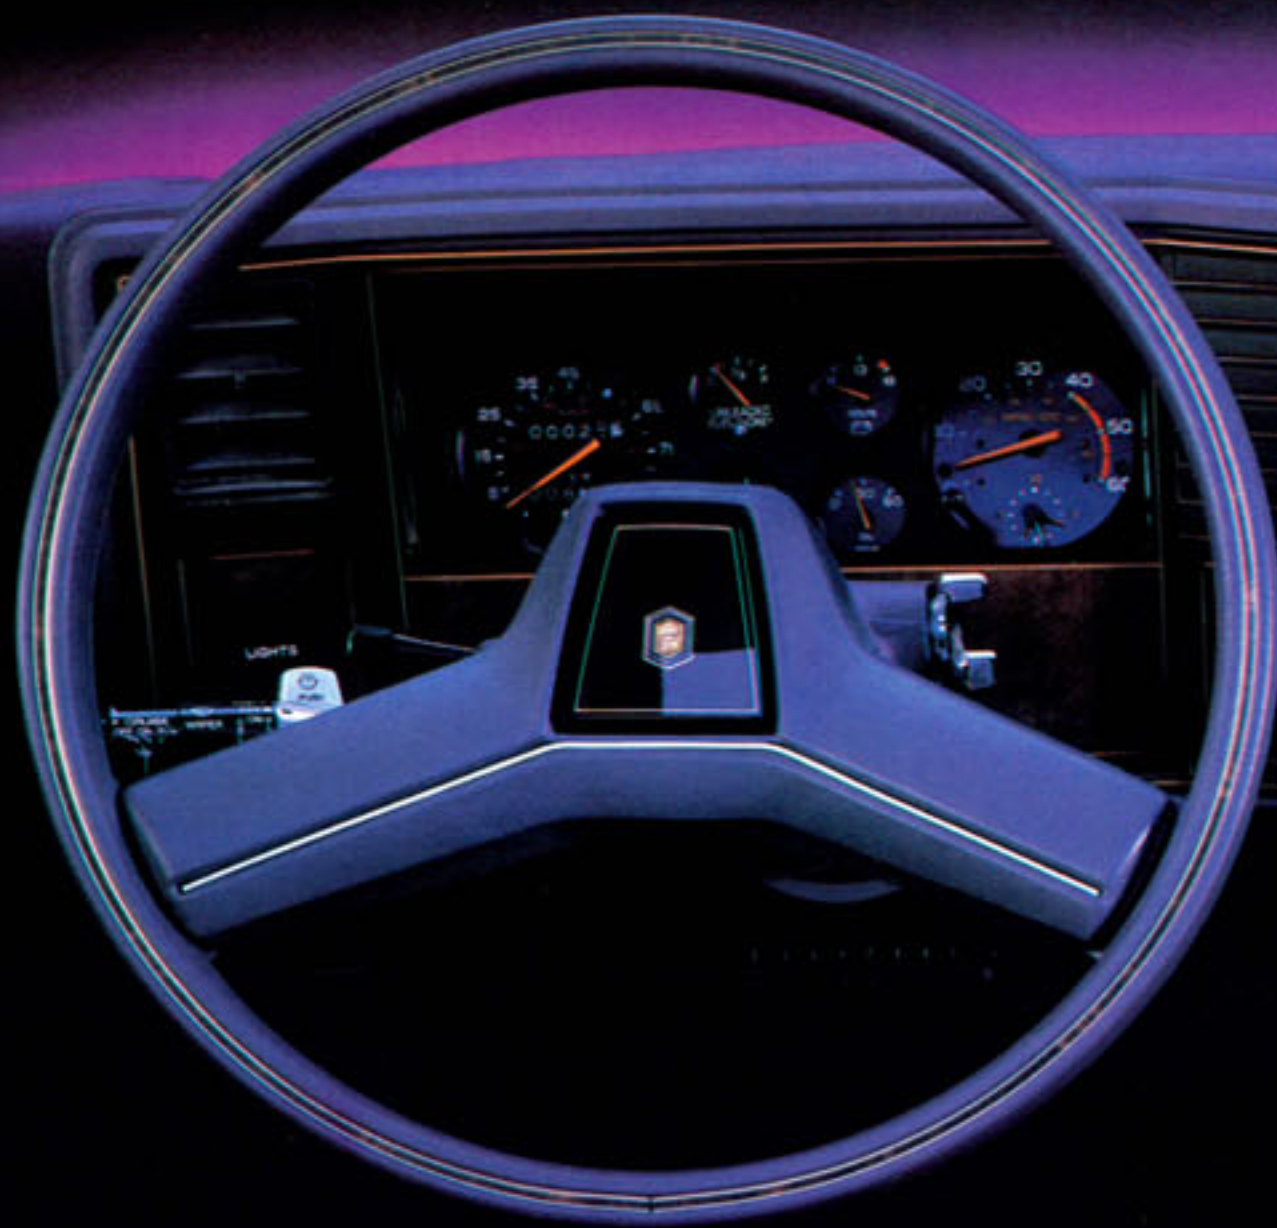

luxurious, pillow-style 55/45 seat and a fold-down center armrest, trimmed in velour cloth with five color choices.

El Camino's standard interior keeps things interesting, but relaxing, with door-to-door color-keyed carpeting, a notchback, foam-cushioned bench seat with a fold-down

center armrest and padded headliner. Choose Standard Cloth in five colors or Optional Vinyl trim in four colors.

Also available is a 55/45 split seat with 45% of the seat area on the driver's side of a centrally located, folding armrest. Choose Standard Cloth in any of five colors.

A WORD ABOUT ASSEMBLY, COMPONENTS AND OPTIONAL EQUIPMENT IN THESE CHEVROLET PRODUCTS.

The Chevrolet El Caminos described in this catalog are assembled at facilities of General Motors Corporation operated by GM Assembly Division. These vehicles incorporate thousands of different components produced by various divisions of General Motors and by various suppliers to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Chevrolet products with different components or differently sourced components than initially scheduled. All such components have been approved for

use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to factory-installed extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your vehicle is built. Your dealer receives advice regarding current availability of options. You may ask your dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your vehicle includes the optional equipment you ordered or, if there are changes, that they are acceptable to you. These vehicles are also available under the GMC nameplate (Caballero).

The GM Continuous Protection Plan. An option that offers service protection in addition to that provided by GM's new-vehicle limited warranty. Available only in the U.S. and Canada for the 1984 model year. Ask your dealer about this option.

For information on any new Chevy Truck... see your Chevy dealer for a complete selection of 1984 catalogs.
