

CAPRICE[®]

1989 CHEVROLET[®]

THE *Heartbeat* OF AMERICA  TODAY'S CHEVROLET[™]

C A P R I C E

*The classic, uncompromised,
unmistakably full-size Chevrolet.*

Chevrolet Caprice, one of America's most distinctive full-size automobiles, retains its uncompromised size and style for 1989.

Refinements to the popular full-size Chevrolet include standard V8 power and standard air conditioning for all sedans and wagons.

Caprice continues to feature Full Coil suspension for a beautifully smooth ride, full-frame construction and a proven rear-drive design.

The luxurious Caprice Classic Sedan interior offers full-size comfort for six passengers. Optional 50/50 front seat with twin pull-down center armrests shown.

Caprice Classic Sedan. America's classic full-size value includes spacious accommodations for six, a 5.0 Liter V8 with Electronic Fuel Injection, 4-speed automatic overdrive transmission and a Delco AM/FM stereo radio among its many standard features. Some optional equipment shown.

Caprice Classic Wagon. America's favorite full-size wagon offers standard seating for up to eight, over 87 cu. ft. of cargo capacity with both rear seats folded flat, and legendary towing ability. (For information on towing consult the 1989 Chevy Trailering Guide.) Optional body-side moldings shown.

The optional Estate package (not shown) features simulated wood paneling for that traditional top-of-the-line appearance.

Caprice Classic Brougham Sedan. This exclusive full-size Chevrolet features a sumptuous cloth interior with contoured pillow-type seating (genuine leather seating surfaces are optional), vinyl roof covering and "Brougham" identification. Some optional equipment shown.

Caprice Classic Brougham LS Sedan. The finest Chevrolet sedan has every Brougham luxury, plus a padded landau-style rear roof treatment, opera lamps and LS monograms. Some optional equipment shown.

Shown on cover: Caprice Classic Brougham LS Sedan with optional wire wheel covers, cornering lamps and other options.

Important: A Word About This Catalog.

We have tried to make this catalog as comprehensive and factual as possible. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details, including details on the GM warranty which covers Chevrolets.

A Word About Engines.

Chevrolets are equipped with engines produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide.

A Word About Assembly of Chevrolets.

Chevrolets are assembled by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. Chevrolets incorporate thousands of components produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolets with different or differently sourced components than originally scheduled. All such components have been approved for use in Chevrolets and will provide the quality performance associated with the Chevrolet name. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

A Word About Updated Service Information.

Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

At your Chevrolet dealer's, financing or leasing your new Caprice can be as easy as saying GMAC.
