CAPRICE CLASSIC

You might be surprised at the number of \$50,000 sedans available with V8 power, luxurious interiors and advanced safety features. Nice cars —

CAPRICE CLASSIC. but who can afford them?

THE AFFORDABLE LUXURY CAR. There is a car with all the things that are important to you, plus a

realistic price. Caprice Classic for 1995 offers a 200-hp V8, dual air bags and ABS, room for six, a quiet ride, and even a standard theft-deterrent system.

When it comes to value, there's nothing else like it. And that makes Caprice Classic Genuine Chevrolet.

Caprice Classic Sedan with optional aluminum wheels.

The full-size car. Caprice Classic is the perfect example of this uncompromised, uniquely American idea.

Caprice Classic's legendary

CAPRICE CLASSIC. Full Coil suspension and full-frame construction provide a quiet ride and effortless handling. The standard 4300 V8 with Sequential-Port

Fuel Injection and electronically controlled four-speed automatic transmission delivers smooth, virtually

seamless performance. You can even specify an optional 5.7 Liter LT1 V8. This 260-hp engine easily outpowers Ford Crown Victoria's most powerful engine, and the benefit to you is effortless passing power and the torque to tow up to 5000 lbs.

You could settle for something less. But why would you want to?

Caprice Classic Sedan with optional aluminum wheels.

Caprice Classic interior
with optional leather
seating surfaces.

No Mercedes-Benz, no BMW and no Lexus can match the spaciousness you'll find in Caprice Classic.

Seating is for six. Choose from a
YOU DESERVE Custom Cloth interior or the optional
A CAR THIS NICE. leather seating surfaces shown here.

Either way, you'll enjoy a reclining
55/45 split-bench front seat, front and rear center
armrests, door courtesy lamps, and storage pockets on
front seat-backs.

The instrument panel is beautiful to look at, and designed to make driving pure pleasure. Conveniences include an easy-to-read digital speedometer, Tilt-Wheel™ Adjustable Steering Column, delayed illuminated entry system, and pull-out cup holder. Controls for the standard air conditioning and AM/FM stereo are within easy reach of the driver.

Two optional sound systems (one with a cassette player and one with a CD player) are available. These new Delco sound systems feature Speed Compensated Volume (as the car's speed increases and outside noise becomes louder, the radio volume increases), and Automatic Tone Control, which tailors equalization to the type of music or voice being heard (classical, news, rock/country, pop or jazz).

Isn't it time you enjoyed the comfort and room of an automobile like this?

A new car is a major investment, and when you choose

Caprice Classic, you're getting your money's worth

— and more. This value-packed

CAPRICE CLASSIC IS GENUINE CHEVROLET. automobile offers a complete package of safety, performance,

and luxury features. That's why

Caprice Classic is Genuine Chevrolet and why, year after year, more Americans drive Chevrolets than any other car.

STANDARD 4300 V8.

This standard V8 delivers 200 hp at 5200 rpm. Sophisticated Sequential-Port Fuel Injection optimizes combustion by precisely matching fuel delivery to each cylinder's intake stroke. Result: the "4300" is one of the smoothest, quietest engines in Caprice history.

ELECTRONICALLY CONTROLLED 4-SPEED AUTOMATIC.

Caprice Classic features an electronically controlled 4-speed automatic transmission. The computerized shift control provides precise, virtually undetectable upshifts and downshifts.

OPTIONAL LT1 V8.

For truly impressive performance, the legendary LT1 V8 engine may be ordered in Caprice Classic. Displacement is 5.7 Liters, horsepower is 260 at 4800 rpm.

DUAL AIR BAGS.

Designed to help protect front-seat occupants in the event of a moderate to severe frontal collision. But please remember to always wear safety belts, even with air bags.

FOUR-WHEEL ABS.

A four-wheel anti-lock brake system (ABS) is standard in every 1995 Caprice Classic. ABS helps prevent wheel lockup during severe braking and is designed to help you maintain steering control, even in a panic stop in rain or snow.

100,000 MILES BETWEEN TUNE-UPS.

With platinum-tipped spark plugs and a direct fire ignition system that is designed to never need timing adjustment, you can drive a 1995 Caprice Classic up to 100,000 miles before your first scheduled tune-up.

SAFETY-CAGE CONSTRUCTION.

A rugged steel "safety cage" surrounds the passenger compartment of every Caprice Classic. This cage is so strong it helps Caprice Classic meet 1997 Federal standards for side impacts *today*.

TWO-SIDE-GALVANIZED STEEL.

Excellent corrosion protection is provided by the use of two-side-galvanized steel for all exterior body panels except the roof (where it's not needed). The zinc coating actually eliminates surface rust on the outside due to minor chips and scratches, and helps prevent holes which start from the inside.

SEATING FOR SIX.

Caprice Classic offers one of the largest interiors in the auto industry, with spacious seating for six passengers.

SCOTCHGARD™ PROTECTOR.

Scotchgard™ Protector, on cloth seats, door trim, floor carpeting and floor mats, is standard in all 1995 Caprice Classic models, for soil resistance and easy cleanup.

REMOTE KEYLESS ENTRY.

Optional Remote Keyless Entry system allows you to lock or unlock doors, and unlock the trunk from up to 30 feet away.

STANDARD SECURITY SYSTEM.

PASS-Key II is a totally passive theft-deterrent system designed to help keep your Caprice Classic secure. Only your special coded ignition key starts your Caprice Classic. If an attempt is made to start the car without the proper key, the ignition system is disabled.

The Caprice Classic interior features Custom Cloth trim, and front and rear center armrests.

We want you to enjoy every minute you spend in your new car. That's why Caprice Classic is so quiet, comfortable and roomy. An aero shape with flush-fitting glass and triple door seals contributes to the hushed feeling inside this very refined automobile.

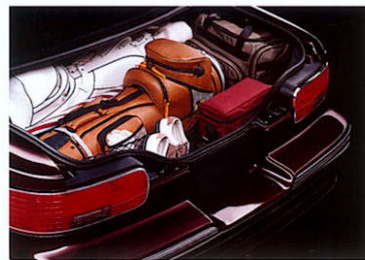

MAKE A QUIET GETAWAY.

This year, Caprice Classic is also more luxurious than ever. The new standard interior features Custom Cloth upholstery, front and rear center armrests, courtesy lighting and power door locks. Also standard: driver-/passenger-seat recliners and child security rear-door locks. New for 1995: standard breakaway outside mirrors that are designed to reduce the possibility of accidental damage.

You could pay as much for a mid-size car. Or you can enjoy the limousine-like quiet and beautifully smooth highway ride of Caprice Classic.

A Delco AM/FM stereo with CD player is optional.

The spacious 20.4-cu.-ft. Caprice Classic trunk. An optional cargo net helps keep small packages secure.

All car companies talk about warranties and customer satisfaction. But look closer, because not all customer care programs are created equal.

GENUINE CUSTOMER CARE. As a Caprice Classic owner, you are covered by Genuine Customer Care, a comprehensive owner-protection plan that includes all of the following:

Bumper to Bumper Warranty.

The General Motors 3-year/36,000-mile (whichever comes first) limited warranty covers repairs for all 1995 Caprice Classics, including labor and parts, to correct any defects in material or workmanship occurring during the warranty period. Warranty features include air conditioning repair, towing, no-cost warranty transfer, and 6-year/100,000-mile (whichever comes first) sheet-metal rust-through protection. There is also emissions control system coverage, which varies by geographical location. Items not covered include tires (which are covered by their manufacturer) and normal maintenance. *There is no deductible.*

See your Chevrolet dealer for terms of this limited warranty.

Courtesy Transportation.

Customers who purchase or lease a 1995 Caprice Classic will be able to take advantage of Courtesy Transportation at no additional charge when their vehicles are left at a participating dealership for repairs covered under the 3-year/36,000-mile Bumper to Bumper Warranty. See your participating dealer for details.

24-Hour Roadside Assistance.

For as long as you own your 1995 Caprice Classic, the security and convenience of round-the-clock Roadside Assistance is available via a toll-free hot line (1-800-CHEV-USA). Your call will be answered by a Roadside Assistance phone advisor trained by Chevrolet. You will be placed in contact with a nearby service center, and assistance with towing and other helpful services will be arranged. Please ask your Chevrolet dealer for more details.

TURN PLASTIC INTO STEEL WITH THE GM CARD™. The GM MasterCard®, with no annual fee, is the revolutionary financial vehicle specifically designed to help put you behind the wheel. Every time you use it, GM will credit 5% of your purchase toward buying or leasing the GM car or truck of your dreams. It could mean saving hundreds, even thousands of dollars, over and above any other discounts or rebates. Call 1-800-8GM-CARD for more information, including annual limits and restrictions.

SMARTLEASE by GMAC makes it easy to enjoy the luxury and comfort of Caprice Classic. With SMARTLEASE, qualified customers can be approved in about one hour, and you enjoy low SMARTLEASE monthly payments. Plus, SMARTLEASE offers you choices at the end of your lease. You can either buy your Caprice Classic at a price guaranteed up front, or return your vehicle with no other obligations — assuming the terms of the lease have been met. For more information about SMARTLEASE or any of the other quality GMAC financing options, see your Chevrolet dealer or call 1-800-32-SMART.

You can't buy a roomier, more powerful wagon than the 1995 Caprice Classic. This accommodating Chevrolet can seat up to eight people, or carry up to 92.7 cu. ft. of cargo with the rear seats folded flat.

CAPRICE
CLASSIC WAGON.
IN A CLASS BY ITSELF.

New for 1995: a more luxurious standard Custom Cloth interior with front center armrest and reclining front passenger seat. Exclusive wagon features include a convenient two-way tailgate, swing-up rear window with wiper and washer, and an optional lockable cargo compartment under the rear floor.

A properly equipped Caprice Classic Wagon will tow up to 5000 lbs. That's more towing power than you'll find in any front-wheel-drive minivan, thanks to the newly standard 5.7 Liter LT1 V8 with Sequential-Port Fuel Injection. Horsepower is 260 at 4800 rpm.

The comfort and safety of a full-size car. The utility of a wagon. You'll find it all in a Caprice Classic Wagon.

Caprice Classic Wagon
with simulated
woodgrain exterior trim
and other options.

When you place your loved ones in a Caprice Classic, you are surrounding them with safety-cage

SAFETY. WE'VE GOT YOU SURROUNDED.

construction, energy-absorbing front and rear crush zones, and a reinforced perimeter frame.

Other standard safety features include driver and right-front passenger air bags, a four-wheel anti-lock brake system (ABS), and reinforced side-door beams that help Caprice Classic meet strict 1997 Federal safety standards for side impacts today. The industry's most tested air bags.

General Motors is the leader in air bag technology. In fact, the very first production air bags were introduced in GM cars more than 20 years ago, and these pioneering designs are still operating effectively.

Today's GM air bags are among the world's most advanced air bag systems. Chevrolet uses 24 times as

many tests and evaluations as the government requires for air bags, and in the '95 Caprice Classic system, air bag sensor contacts are gold-plated to enhance durability. And the air bag contains self-diagnostics that require no annual inspection.

A special note: For safety's sake, remember to always wear safety belts, even with air bags. Standard four-wheel anti-lock brake system (ABS).

ABS is one of the most important advances in automotive safety ever. ABS is a computer-monitored brake system which prevents your car's wheels from locking up during hard braking by "pumping" the brakes faster than even the most expert driver could. As a result, ABS enhances your ability to steer around objects in hard braking, even on slippery surfaces such as ice or snow.

CAPRICE CLASSIC SAFETY FEATURES

OCCUPANT PROTECTION.

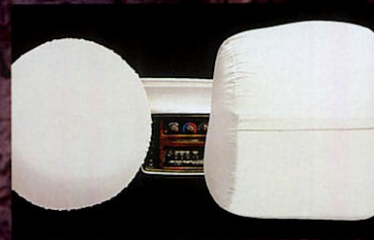

- Supplemental Inflatable Restraint: manual lap/shoulder safety belts and air bags, driver/front passenger • Manual lap/shoulder safety belts, outboard rear-seat positions • Manual lap safety belts, center front/rear-seat positions
- Energy-absorbing steering column • Energy-absorbing instrument panel
- Interlocking door latches • Safety armrests • Breakaway inside rearview mirror • Security door locks and door-retention components • Laminated windshield glass, urethane bonded • Head restraints, front, adjustable
- Side-door beams • Passenger guard inside door lock handles • Front and rear crush zones • Child security door locks • Power window lockout switch.

ACCIDENT AVOIDANCE.

- Side-marker lamps and reflectors • Parking lamps • Four-way hazard-warning flashers • Backup lamps • Directional signal control • Windshield defrosters, washers and multi-speed wipers • Inside day/night rearview mirror • Outside rearview mirrors • Brake system with dual master cylinder plus warning light • Center high-mounted stop lamp • Starter safety switch
- Dual-action hood latch • Low-glare finish (inside windshield moldings, wiper arms and blades, metallic steering-wheel surfaces) • Illuminated heater and defroster controls • Tires with built-in tread-wear indicators • Audible disc brake lining-wear indicators • Anti-lock brakes • Brake/transmission shift interlock.

THEFT DETERRENCE.

- Visible vehicle identification number • Laser-etched VIN plate • Theft-deterrent steering column lock • PASS-Key II personal security system • Remote inside hood release • Theft-deterrent key-locking system.

Dual air bags are standard in every 1995 Caprice Classic.

A high-strength body structure helps the 1995 Caprice Classic meet 1997 Federal safety standards for side impacts today.

CAPRICE CLASSIC BUYER'S GUIDE.

CAPRICE CLASSIC PREFERRED EQUIPMENT GROUPS

NOTE: These optional Preferred Equipment Groups (PEGs) help simplify the buying process. Just choose the 1995 Caprice Classic PEG containing the equipment you desire. You may also add selected individual options (see Standards & Options chart for model availability). Some restrictions may apply. Please see your salesperson for details.

CAPRICE CLASSIC

GENUINE CHEVROLET™

A WORD ABOUT ...

CUSTOMER ASSISTANCE.

The Chevrolet Customer Assistance Center (CAC) has a special toll-free number (1-800-222-1020). It puts you in contact with Chevrolet experts who can handle any product/service question or problem you may have.

GM PROTECTION PLAN.

The available GM Protection Plan offers service protection in addition to that provided by GM's new-vehicle limited warranty. Ask your dealer about it. Coverage available only in the U.S. and Canada.

ENGINES.

Chevrolet vehicles are equipped with engines produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide.

CORROSION PROTECTION.

Chevrolet vehicles are designed and built to resist corrosion. All body sheet-metal components are warranted against rust-through corrosion for 6 years/100,000 miles. Application of additional rust-inhibiting materials is not required under the corrosion coverage and none is recommended. See your Chevrolet dealer for terms of this limited warranty.

ASSEMBLY.

Chevrolet vehicles are assembled by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. Chevrolet vehicles incorporate

thousands of components produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. All such components have been approved for use in Chevrolet vehicles and will provide the quality performance associated with the Chevrolet name. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

UPDATED SERVICE INFORMATION.

Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll free 1-800-551-4123.

IMPORTANT: A WORD ABOUT THIS CATALOG.

We have tried to make this catalog as comprehensive and factual as possible. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details.

A note about air bags: Always wear safety belts, even with air bags.

General Motors, GM, the GM Emblem, Caprice, Chevrolet and the Chevrolet Emblem are registered trademarks and Chevy is a trademark of the General Motors Corporation. Scotchgard is a trademark of the 3M Corp. GMAC is a registered trademark of the General Motors Acceptance Corporation.
