

**CHEVY**

To us, it's pretty simple: Build vehicles that anyone would be proud to own, and put them within reach. We offer more models than Toyota or Honda with **30 MPG HIGHWAY OR BETTER!** We're backing our quality with the **BEST COVERAGE IN AMERICA**, which includes the 100,000 mile/5-year<sup>2</sup> transferable Powertrain Limited Warranty plus Roadside Assistance and Courtesy

Transportation Programs. We're filling our cars and trucks with the kind of thinking, features and craftsmanship you'd expect to pay a lot more for. This philosophy has earned us more **CONSUMERS DIGEST "BEST BUY"** awards for 2009 models<sup>3</sup> than any other brand. So owning a Chevy isn't just a source of transportation. It's a source of pride. **CHEVY.COM**

<sup>1</sup> Based on EPA estimates for 2010 Aveo Sedan, Aveo5, Cobalt, Cobalt XFE, Equinox FWD, HHR, HHR Panel and Malibu. <sup>2</sup> Whichever comes first. See dealer for details. <sup>3</sup> Models include Malibu, Traverse, Silverado 1500 and others. Visit [www.consumersdigest.com/award\\_page](http://www.consumersdigest.com/award_page) to see the full list of award-winning Chevy vehicles. <sup>4</sup> Limited availability.

 APPROVED LOGO WILL BE PLACED BY  
 PRINTER WITH APPROVAL FROM FSC.

 2010 **CHEVY TAHOE** 

## THE BEST COVERAGE IN AMERICA

Every Tahoe is backed by the 100,000 mile/5-year<sup>1</sup> transferable Powertrain Limited Warranty. That's 40,000 more miles than Toyota or Honda offers. Add in our Roadside Assistance and Courtesy Transportation Programs, and you have the best coverage in America. Plus, certain Tahoe Hybrid<sup>2</sup> components are covered for 100,000 miles/8 years.<sup>1</sup>

## TOP REASONS TO BUY

Meet Tahoe.....2  
 Best Coverage in America.....2  
 360 Degrees of Safety.....4  
 Tahoe Hybrid .....6  
 Power and Efficiency.....7  
 Finely Crafted Interior.....10  
 High-Tech Connectivity .....10

## YOU'LL RUN OUT OF REASONS BEFORE IT RUNS OUT OF USES.

Six pairs of skis. Your boat. Up to eight of your favorite people. Two weeks' worth of supplies. A capable SUV like Tahoe is the perfect partner for any of that. It can be your adventure guide, your equipment manager and your troop transport. Tahoe can tow up to **8,400 LBS.**<sup>3</sup> The available **Z71 OFF-ROAD PACKAGE** on LT has the same go-anywhere, do-anything attitude you do. But it's more than just athleticism. It's also about brains. Tahoe is packed with smart features, such as **ONSTAR**<sup>4</sup> standard for the first year, a NEW **USB PORT**<sup>5</sup> and more. Available extras include **BLUETOOTH**<sup>®</sup> wireless technology<sup>6</sup> for select phones, DVD-based navigation radio,<sup>7</sup> rearview camera system, **XM NAVTRAFFIC**<sup>8</sup> and more. Plus, it's backed by the **BEST COVERAGE IN AMERICA**. It's still a big world out there.

Tahoe can help you enjoy it.

## TAHOE

Learn more about its safety features at [chevy.com/tahoe](http://chevy.com/tahoe)

The StabiliTrak Electronic Stability Control System helps improve vehicle stability. It can sense and automatically intervene if your vehicle is losing lateral traction, understeering or oversteering (fishtailing). The system applies brake pressure and, if necessary, adjusts engine torque to help you get your Tahoe back on track. It also includes Proactive Roll Avoidance, which helps reduce the chance of a rollover.

## TO SWERVE AND PROTECT.

Eleven p.m. on a gravel road. Suddenly, a deer darts out from nowhere. Tahoe is made for this moment. As you maneuver, **STABILITRAK** (including Traction Control) combines with **PROACTIVE ROLL AVOIDANCE** and four-wheel antilock brakes to help you keep your vehicle on track. Safety is about good preparation, and Tahoe is ready with a proven track record. Tahoe received the highest possible government rating – **FIVE STARS** – for frontal crash safety<sup>1</sup>. Tahoe is also equipped with OnStar **AUTOMATIC CRASH RESPONSE**<sup>2</sup>, standard for the first year. It features built-in vehicle sensors that can automatically alert an OnStar Advisor, who is immediately connected into your vehicle and can request that emergency help be sent to your exact GPS location. It even sends specific crash data so first responders can be prepared in advance for potential injuries. Overprotective? To Tahoe, there is no such word.

Air bags<sup>3</sup> include head-curtain side-impact all outboard seating positions with rollover sensor to help protect all three rows. Also included are seat-mounted driver and right-front passenger side-impact air bags for thorax and pelvic protection (not available on Hybrid).

Safety isn't always about accidents. Sometimes it's about bikes left in the driveway. An available rearview camera system gives you an extra pair of eyes at ground level while moving in Reverse at low speeds.

**Tahoe LS 4WD in NEW Sheer Silver Metallic with available features.** <sup>1</sup> Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program ([www.safercar.gov](http://www.safercar.gov)). <sup>2</sup> OnStar acts as a link to existing emergency service providers. Call 1-888-4ONSTAR (1-888-466-7827), see page 16 and visit [onstar.com](http://onstar.com) for details and system limitations. <sup>3</sup> Air bag inflation can cause severe injury or death to anyone too close to the bag when it deploys. Be sure every occupant is properly restrained.

## CAPABILITY TO COMMAND, EFFICIENCY YOU DEMAND.

There is a Tahoe to handle every need. Maybe you like to take the toys to some rugged places. Then choose an LT and add the available **HEAVY-DUTY TRAILERING** and **Z71 OFF-ROAD** Packages. Combined with the powerful Vortec 5.3L V8, Tahoe can tow up to **8,400 LBS<sup>1</sup>** to your favorite retreat. Have a lot of friends and family? You can pile in up to **NINE ADULTS** comfortably inside Tahoe LS. With an EPA estimated **21 MPG HIGHWAY** when running on gasoline, **NO COMPETITOR OFFERS BETTER FUEL ECONOMY<sup>2</sup>**, including Toyota Sequoia and Ford Expedition. The 5.3L V8 engine is also **E85 FLEXFUEL-CAPABLE<sup>3</sup>** and equipped with **ACTIVE FUEL MANAGEMENT**. It's really a reflection of what Tahoe is all about: the best efficiency with plenty of power for extraordinary adventures.

FUEL COMPARISONS	EPA EST. CITY/HWY. FUEL ECONOMY (GAS)	TOWING CAPACITIES	MAXIMUM TOWING CAPACITY IN LBS. <sup>1</sup>
TAHOE HYBRID <sup>4</sup> 2WD/4WD	21/22	TAHOE HYBRID 2WD	6,200
TAHOE 2WD/4WD	15/21	TAHOE HYBRID 4WD	6,000
FORD EXPEDITION 2WD	14/20	TAHOE 2WD	8,400
TOYOTA SEQUOIA 2WD	14/19	TAHOE 4WD	8,200
NISSAN ARMADA 2WD	12/18		

E85 FlexFuel<sup>3</sup> engines operate on either regular unleaded gasoline, E85 (a blend of 85% ethanol and 15% gasoline) or any combination of both. Because ethanol is made from primarily organic, domestic resources, E85 is a mostly renewable fuel that can help reduce our dependence on petroleum. Tahoe offers an EPA estimated 11 MPG city, 16 highway when using E85 fuel.

**Tahoe Hybrid 2WD in Summit White.** <sup>1</sup> Accolades are specific to the 2009 model year. For more information about the 2009 Best New Family Vehicles from Kelley Blue Book's kbb.com, visit [www.kbb.com/family09](http://www.kbb.com/family09). Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. <sup>2</sup> At participating dealers only. <sup>3</sup> EPA estimated. <sup>4</sup> Based on GM Large Utility segment. Excludes other GM vehicles. <sup>5</sup> EPA estimated 19 MPG city. <sup>6</sup> Side-impact crash test rating is for a model tested with standard head-curtain side-impact air bags (SABs). Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program ([www.safercar.gov](http://www.safercar.gov)).

## TAHOE HYBRID: A 2009 BEST NEW FAMILY VEHICLE – KELLEYS BLUE BOOK'S KBB.COM<sup>1</sup>

Tahoe Hybrid<sup>2</sup> matches a love for the environment with a vehicle that can actually take you to the environment – without compromise.

The powerful Vortec 6.0L V8 with **ACTIVE FUEL MANAGEMENT** generates **332 HP** and **367 LB.-FT.** of torque, more than Ford Expedition. Tahoe Hybrid offers 21 MPG city, 22 highway,<sup>3</sup> making it the **MOST FUEL-EFFICIENT SUV** in its class.<sup>4</sup> That's also **BETTER CITY FUEL ECONOMY THAN A SIX-CYLINDER TOYOTA CAMRY OR HONDA ACCORD<sup>5</sup>**. It's all made possible by the Two-Mode Hybrid

system. It employs two small motors efficiently packaged inside the automatic transmission. That reduces the need for large electric motors like you'll find in a single-mode hybrid system. The two modes are beautifully synced to shift seamlessly for smooth acceleration. As a driver, you won't even notice when Tahoe Hybrid switches modes. There's no compromise when it comes to safety either, with a **5-STAR** government safety rating for both frontal and side-impact crash tests<sup>6</sup>

Power flow diagram on the navigation radio screen lets you see how the hybrid system is currently functioning.

### TAHOE

Learn more about Hybrid at [chevy.com/tahoe](http://chevy.com/tahoe)

Hybrid Modes

**Mode 1** – At low speeds and with light loads, it can operate three ways: electric power, engine power or in any combination of the two. When operating on electric power alone, you receive all the benefits of the full hybrid system.

**Mode 2** – Used primarily at highway speeds or when driving conditions demand, such as towing trailers and climbing steep grades. It provides an electric assist in addition to four-cylinder or full eight-cylinder power.

**Vortec 5.3L V8 engine.** <sup>1</sup> Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevy dealer for additional details. <sup>2</sup> Based on GM Large Utility segment and Tahoe with an EPA estimated 15 MPG city, 21 hwy. Excludes other GM vehicles. EPA estimated MPG city/hwy: Sequoia 2WD 14/19, Expedition 2WD 14/20. <sup>3</sup> E85 is a combination of 85% ethanol and 15% gasoline. Go to [chevy.com/biofuels](http://chevy.com/biofuels) to see if there is an E85 fuel station near you. <sup>4</sup> At participating dealers only.

**Tahoe LTZ 4WD interior in Cashmere color with available features.** 1 Go to [gm.com/bluetooth](http://gm.com/bluetooth) to find out which phones are compatible with the vehicle. 2 Not compatible with all devices. 3 XM Radio requires a subscription, sold separately by XM after trial period. XM Radio U.S. service only available in the 48 contiguous United States and the District of Columbia. For more information, visit [gm.xmradio.com](http://gm.xmradio.com). 4 Service not available in Canada, Alaska and Hawaii. XM Radio subscription required and sold separately after trial period. Fees, taxes and a one-time reactivation fee may apply. Subscriptions governed by XM Customer Agreement available at [xmradio.com/serviceterms](http://xmradio.com/serviceterms). All fees and programming subject to change. Family programming packages are available. 5 Map coverage excludes Alaska, Puerto Rico and the Virgin Islands. 6 Call 1-888-4ONSTAR (1-888-466-7827), see page 16 and visit [onstar.com](http://onstar.com) for details and system limitations. 7 Not available in certain areas. Visit [onstar.com](http://onstar.com) for coverage map. 8 At participating dealers only.

## TAHOE

See the Tahoe photo gallery at [chevy.com/tahoe](http://chevy.com/tahoe)

Going somewhere new should be exciting, not frustrating. If you find yourself lost, just press the OnStar<sup>®</sup> button for Turn-by-Turn Navigation.<sup>7</sup> A live Advisor will download directions to your vehicle, and an automated voice calls out each upcoming turn. It's included in the Directions & Connections Plan, standard for the first year on Tahoe LT, LTZ and Hybrid.<sup>8</sup>

Plus, with the navigation radio, you can use OnStar Destination Download.<sup>5</sup> It works just like Turn-by-Turn, except the Advisor can send directions directly to your navigation screen in seconds. You'll never need to stop to enter the destination. The navigation radio is standard on LTZ and Hybrid and available on every other Tahoe.

## A LOT OF LUXURY FOR A LOT OF PEOPLE.

Steering wheel-mounted controls for cruise control and audio system.

Tahoe LTZ reclaims the road trip as your vacation of choice. It can take seven or eight adults anywhere – and take them in luxury. It starts up front in the power-adjustable **HEATED AND COOLED SEATS** with perforated leather appointments. **BLUETOOTH<sup>®</sup>** wireless technology<sup>1</sup> for select phones automatically syncs with your cell for hands-free calling, even if it's in your pocket or bag. Plug your MP3 player or a music-loaded flash drive into the **USB PORT<sup>2</sup>** and control your playlist through the steering wheel-mounted controls. It even charges your player for you.

Or browse through the over 170 digital channels on **XM RADIO<sup>3</sup>** – with three trial months – and enjoy pitch-perfect sound through the **10-SPEAKER BOSE<sup>®</sup> CENTERPOINT<sup>®</sup> SURROUND SOUND SYSTEM**. Your trial also includes **XM NAVTRAFFIC<sup>4</sup>**, which uses the GPS navigation radio<sup>5</sup> to look ahead and avoid surprise traffic. Tahoe LTZ even makes loading up for the trip easy with its **POWER-REMOTE LIFTGATE**. The available rear-seat **DVD** entertainment system can keep your rowdier passengers occupied on the voyage. **FIVE POWER OUTLETS** can run any of your other gadgets you need on the way. Tahoe LTZ: perfect for the drive and the destination.

# THE BEST COVERAGE IN AMERICA.

**100,000 MILE/5-YEAR TRANSFERABLE POWERTRAIN LIMITED WARRANTY.** Every 2010 Chevy passenger car, light-duty truck, SUV and crossover comes with a 100,000 mile/5-year (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 100,000 miles/5 years (whichever comes first) of the 24/7 Roadside Assistance Program and the Courtesy Transportation Program and much more. See dealer for details.

**NEW VEHICLE LIMITED WARRANTY.** GM vehicles registered in the U.S.A. are covered for 3 years/36,000 miles (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

**TAHOE HYBRID WARRANTY.** In addition to the fully transferable Chevy 36,000 mile/3-year (whichever comes first) New Vehicle Limited Warranty and the 100,000 mile/5-year (whichever comes first) Powertrain Limited Warranty, GM will also warrant certain hybrid components on Tahoe Hybrid models for 100,000 miles/8 years (whichever comes first). No deductibles are associated with the Tahoe Hybrid warranty, which is transferable to any subsequent persons assuming ownership of the vehicle during the 100,000 mile/8-year warranty period. See your Chevy dealer for details.

**ENGINES.** Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

**ASSEMBLY.** Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

**ONSTAR.** OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Statement, and details and system limitations.

**A NOTE ABOUT CHILD SAFETY.** Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

**IMPORTANT WORDS ABOUT THIS CATALOG.** We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large Utility segment and latest available competitive information. Excludes other GM vehicles.

**TRAILERING AND OFF-ROAD DRIVING INFORMATION.** Please go to chevy.com and carefully review an Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

**SPARE TIRE INFORMATION.** There is no jack or spare tire in the Tahoe Hybrid. Your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a 1/4-inch puncture in the tread area of the tire. After using the tire inflator kit, it is recommended that you take the tire to an authorized retailer for inspection and repair as soon as possible, but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than 1/4 inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire and for one time before its expiration date.

At Chevrolet, giving you a completely satisfying ownership experience is our top priority. That's why if you ever need assistance, feel free to contact us at these websites or phone numbers.

**CHEVY.COM.** Offers shopping tools such as Build and Price, Find a Vehicle, Request Info, Email Sign-Up, Compare Vehicles, Financial Tools...and much more.

**24-HOUR ROADSIDE ASSISTANCE PROGRAM (1-800-CHEV-USA).** The Chevrolet Roadside Assistance Program provides you with the following services for 100,000 miles or 5 years (whichever comes first): Emergency Towing (to closest Chevy dealer from a legal roadway), Lockout Service (keys locked inside vehicle), Flat Tire Changes (spare installed), Fuel Delivery (\$5 worth of fuel delivered on the road) and Jump Starts (at home or on the road). For specific terms and conditions, please contact your Chevrolet Roadside Assistance advisor at 1-800-243-8872. Some services may incur costs.

**COURTESY TRANSPORTATION PROGRAM.** Ask your Chevrolet dealer for Courtesy Transportation if you leave your vehicle for extended repairs under the New Vehicle Limited Warranty or Powertrain Limited Warranty. Ask if you qualify for expense reimbursement and/or vehicle rental. Services vary by dealer.

**CHEVROLET CUSTOMER ASSISTANCE CENTER (1-800-222-1020).** Talk directly to customer relationship managers who can handle any inquiries related to vehicle operation, warranty coverages, or product or service concerns you may have. Please refer to your Owner's Manual for Customer Assistance information.

**CHEVY.COM/SAFETY.** Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

**GMMOBILITY.COM (1-800-323-9935).** GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

**CHEVROLET OWNER CENTER (GMOWNERCENTER.COM/CHEVY).** Register your vehicle with the Chevrolet Owner Center, and receive benefits such as online access to your vehicle Owner's Manual, maintenance schedule reminders, service history tracking, warranty and service information, safety information, special offers and privileges, and news and events.

**MARKETING AND INCENTIVES (CHEVY.COM/SPECIALOFFERS).** Call 1-800-950-CHEV (1-800-950-2438) or visit chevy.com/specialoffers for new product, current incentive and marketing program information.

**GMCARDMEMBERSERVICES.COM.** Did you know about the family of reward credit cards that can help you get a great deal on a new GM car, light-duty truck, SUV or crossover? With a GM reward card, you accrue earnings on every credit card purchase to use toward the purchase or lease of an eligible, new GM vehicle. With three cards to choose from, you're sure to find one that suits you best.
