... is the most Beautiful BUY of all

The Stylish De Luxe 2-Door Sedan

There's not a car in the world better
to drive than a Buick. There's
not a thought for the road
that Buick doesn't do better.
See the many advantages of Buick
design and construction.

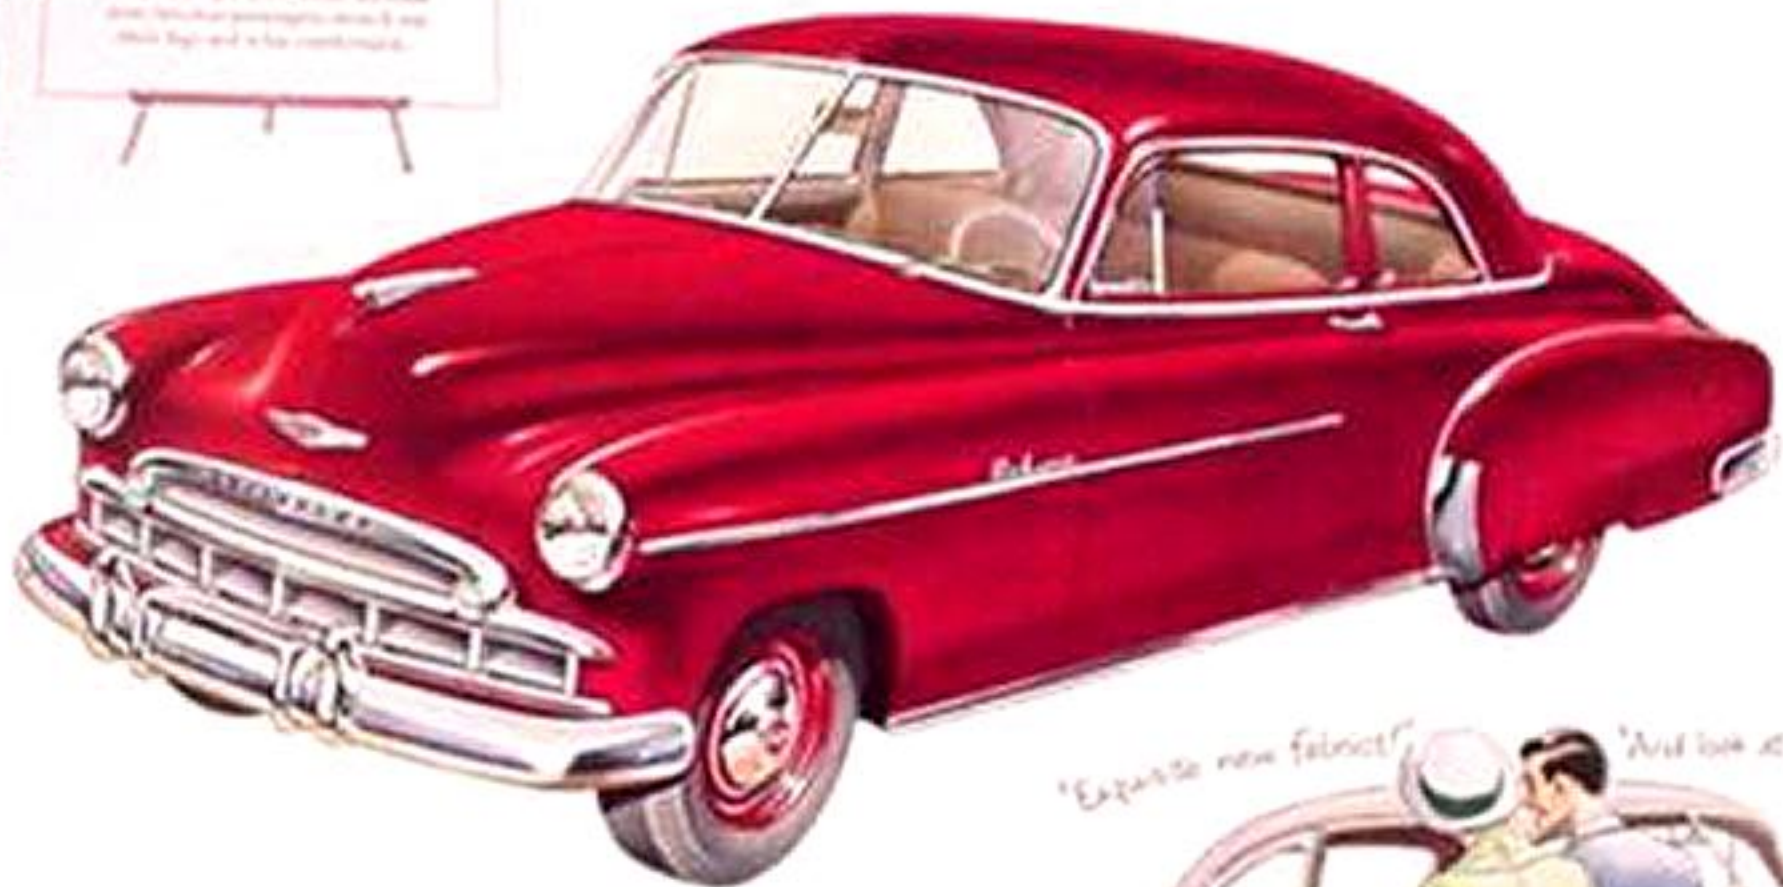

"See how much longer
lower and wider!"

"What body
wouldn't love?"

*The Styline De Luxe
Sport Coupe*

Plenty of room for six, and more
space for the regular world
coupe. Built from some of the
best materials available and
with top and wheel combination.

'Expand new fabric!'

'And look at the door'

**The Stylish The Latest
Station Wagon**
— 1950 Model —

It's the only station wagon that's an
adjustable Sedan by Fisher. Rides
in style — guaranteed with the
same flat roof — so you're assured
of additional living space.

"Such a quiet
comfortable ride!"

"It's built like a regular
passenger car
body!"
