THE *all-new* ACCESSORIES-EQUIPPED BEL AIR SPORT SEDAN

# ACCESSORIES CAN GIVE YOU *added* ADVANTAGES

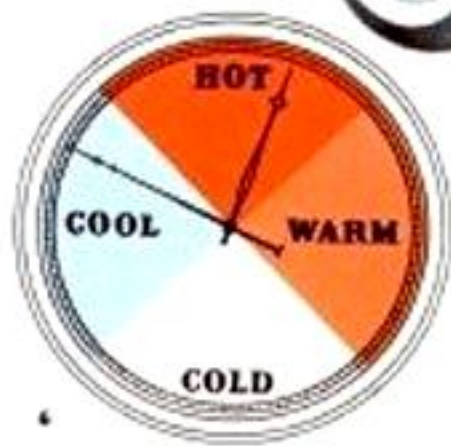

The accessories shown to the left will give you the general idea of the appearance and location of accessories installed in the front compartment of the car that can add comfort, safety and convenience for driver and passengers.

## AUTOMATIC TOP RAISER FOR CONVERTIBLES

Owners of convertibles can now park with the top down and not have to worry about the inside of the car getting wet when unattended. The first drop of moisture from a sudden rain automatically causes the top to be raised.

*Choose your own car climate!*

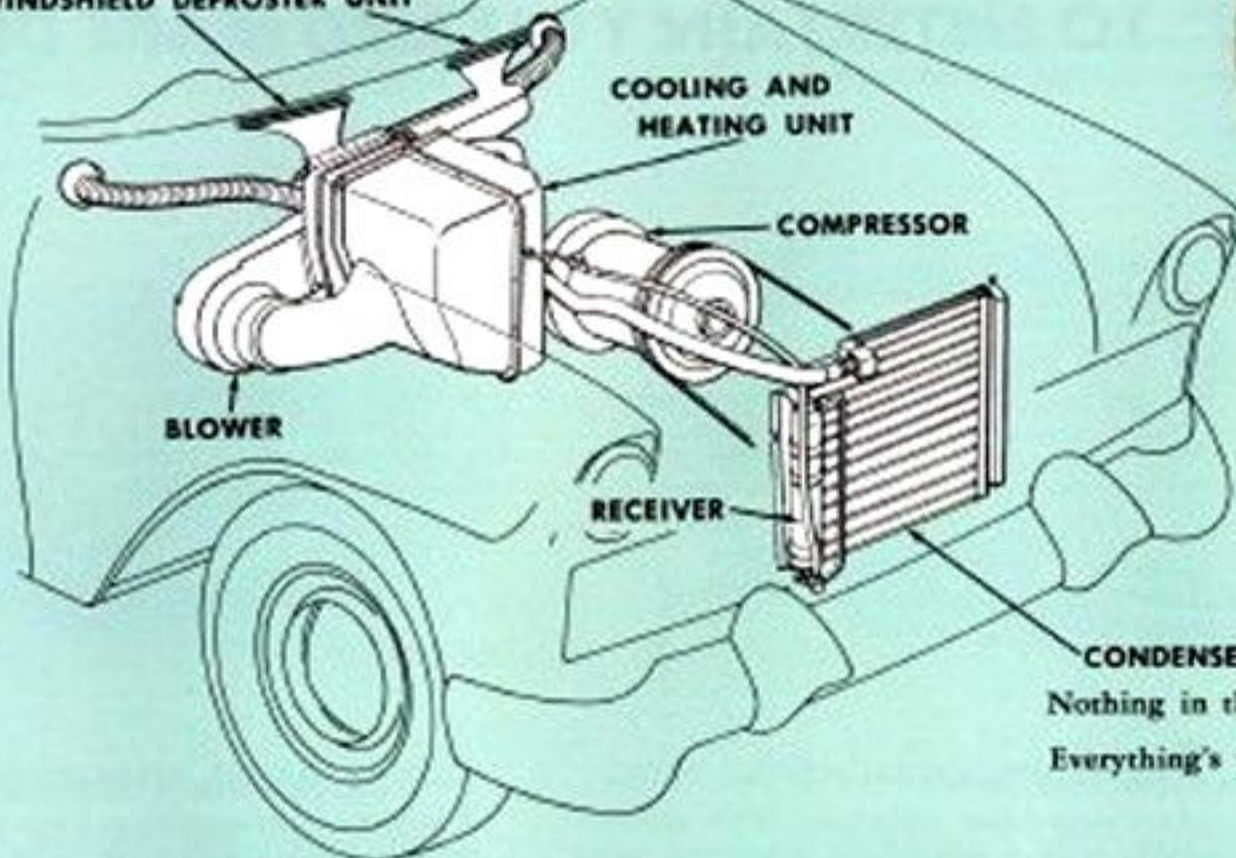

**YOU ARE THE WEATHERMAN** when your Chevrolet is equipped with Chevrolet's modern all-weather air conditioner and heating system

## SUMMER OR WINTER

WINDSHIELD DEFROSTER UNIT

EASY TO  
OPERATE  
CONTROLS

**CONDENSER**  
Nothing in the trunk.  
Everything's under the hood!

**SO MUCH QUIETER AND CLEANER** because you ride with the windows closed . . . on rainy, humid days windshield and windows stay moisture-free . . . you can direct the cool air anywhere inside the car with the adjustable air nozzles . . . smoke and odors removed, leaving clean, cool air.

# TO ENTERTAIN YOU AND MAKE DRIVING

## **ELECTRONIC SIGNAL-SEEKING RADIO**

An ultra-modern eight-tube (with rectifier) radio with a selector-bar automatic tuner that tunes in listenable stations wherever you are traveling, plus five pushbuttons that can be set to favorite, most-listened-to stations for quick, automatic tuning.

## **CUSTOM DELUXE PUSHBUTTON RADIO**

A modern superheterodyne seven-tube (with rectifier) radio and an outstanding performer with a push-pull audio system for superb tone quality. Five mechanical pushbuttons which can be set to five predetermined stations for easy, quick tuning.

INDICATES CIVIL DEFENSE STATION

*more* **ENJOYABLE**

#### MANUAL TUNING RADIO

The excellent tone quality and long-range performance of this six-tube (with rectifier) radio is excelled only by the pleasure and enjoyment this modern radio will give you wherever you go.

#### FRONT OR REAR FENDER MOUNT ANTENNA

A super-sensitive nickel-chrome plated base antenna . . . capacity matched to operate on all radios for excellent performance in the city or open country.

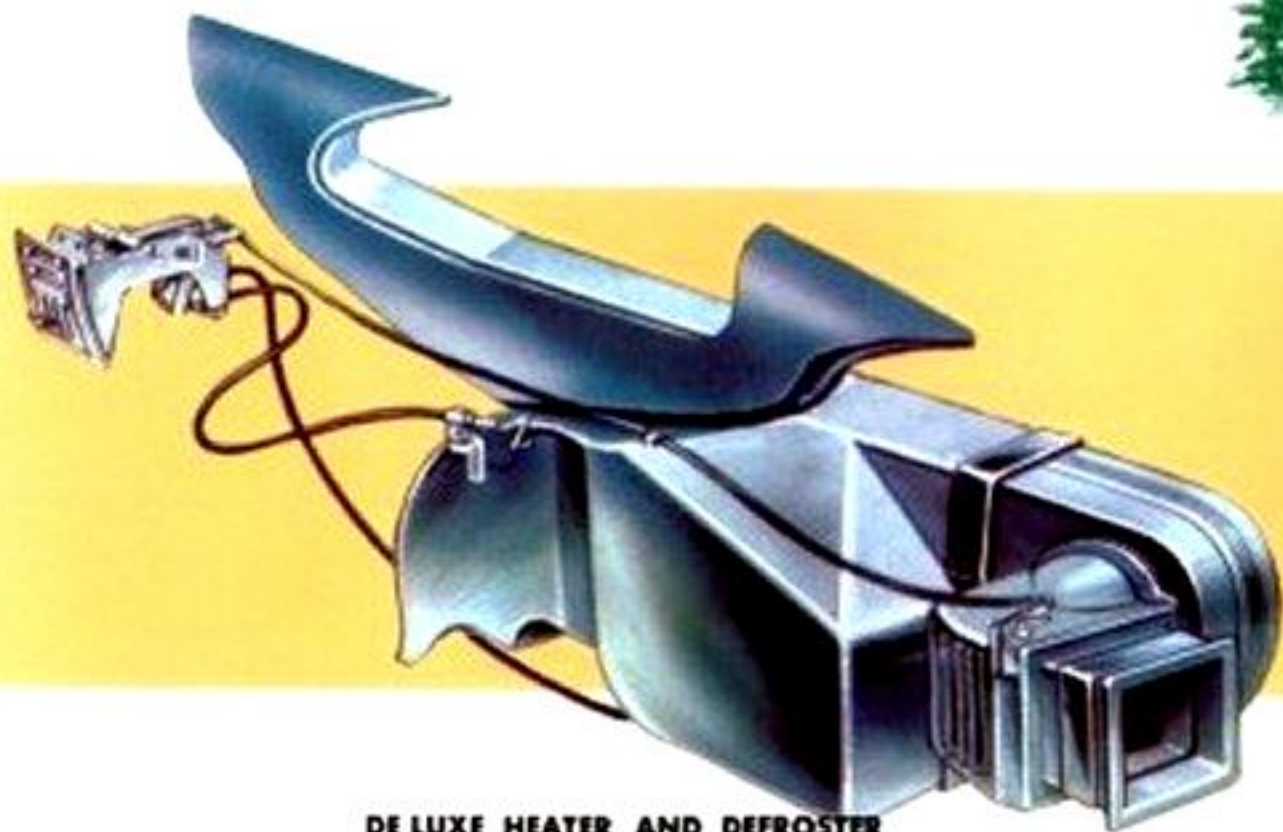

#### REAR SEAT SPEAKER

A large (6 x 9 inch) speaker used in conjunction with the speaker in the radio . . . the combination of the two speakers gives excellent tone quality and tone distribution throughout the car for greater enjoyment.

## MIRRORS TO MEET *your* INDIVIDUAL

### OUTSIDE BODY MOUNT MIRROR

Adds additional safety to rear vision when pulling away from curb or passing on the open highway . . . can be mounted on either right- or left-hand doors. Optically clear chrome mirror glass. Mirror body nickel-chrome plated.

### REMOTE-CONTROL MIRROR

An entirely new type mirror with no gears or friction drive to slip or strip. A direct drive type that can be set to any position from inside the car. Truly a new version of a mirror.

# REQUIREMENTS!

## SAFETYLIGHT AND MIRROR

A large, optically clear mirror concealed into the head of the powerful safety-light . . . can be adjusted from inside the car. Ideal for families where each driver must readjust the mirror. Available for both right- and left-hand installations on the car.

## INSIDE NON-GLARE REARVIEW MIRROR

A rearview mirror that reduces eyestrain from bright headlights in mirror . . . a flip of the tab subdues the bright lights and still permits full vision of traffic to the rear.

## VANITY VISOR MIRROR

Ideal make-up mirror for that last-minute grooming. An optically true, clear mirror, clips to either the right or left sun visor.

With Very Little Brake Pedal Effort.

*Easily installed on any of the 1956 model cars.*

## NYLON SEAT COVERS

A truly fine custom-tailored seat cover that is styled to enhance the interior of any new car. They are silky smooth and do not cling to clothing . . . available in five colors—Red, Blue, Green, Copper and Turquoise, for both two- and four-door models.

### PLASTIC SEAT COVERS

Plastic seat covers are a most versatile cover that will withstand the hardest of use over a long period of time. Fashioned as only fine craftsmen can . . . available in four popular colors - Red, Blue, Green and Charcoal. Models for both two- and four-door sedans.

### FIBER SEAT COVERS

Fiber seat covers are a most popular cover with many new car buyers because they are cool to ride on, styled for lasting beauty and long wear. Available in four colors - Red, Blue, Green and Charcoal. Available in two- and four-door models.

## ALL-NYLON

## GLAMOUR GLIDES

These rich nylon cushion protectors are ideal for the modern car interiors as they cover the cushion where the wear is the hardest and yet show the smart styling and appearance of the car's upholstery. Silky smooth, cool, easy to clean. Available in five luxurious colors - Red, Green, Copper, Blue and Turquoise for four-door, two-door and sport coupe models.

## WINDSHIELD WASHERS GIVE YOU BETTER VISION ON WET DAYS

### CO-ORDINATED VACUUM TYPE

The Co-Ordinator Vacuum Washer is completely automatic. When the button is depressed for several seconds, water is sprayed on the glass and the wiper blades are started. When glass is clean, washer automatically stops and wiper blades return to normal position.

### FOOT-OPERATED TYPE

Depressing the foot lever automatically sprays water on the windshield glass and puts wiper blades into action. When lever is released, wiper blades return to normal parked position.

### WINDSHIELD WASHER SOLVENT

A solvent to help prevent freezing in the winter . . . ideal for summer use to remove road film, grime and insects for better vision.

#### **WIRE WHEEL COVERS**

A set of four wire wheel covers that can be placed on the "Two-Ten" and "One-Fifty" series along with the hub caps. Can be used on Bel-Air series by replacing production wheel cover with hub caps. Adds sports car look.

#### **WHEEL COVERS**

A set of four stainless steel discs that can be installed along with the hub cap, giving the appearance of a solid stainless steel wheel.

#### **OUTSIDE SUN VISOR**

A chrome-trimmed all-metal visor . . . reduces sun glare . . . helps prevent ice and snow from accumulating on windshield . . . painted to match the car.

#### **VENTSHADES**

Permit windows to be lowered a few inches when driving in the rain or when car is parked . . . improve car ventilation . . . help to reduce sun glare.

#### **RIGHT-HAND SAFETYLIGHT BRACKET**

A special bracket used to mount the regular left-hand safetylight on the right side of the car . . . the two safetylights add a continental sports car look.

### LUGGAGE COMPARTMENT LAMP

Lights automatically when trunk lid is raised . . . leaving hands free to load or unload the trunk.

### REAR FENDER ANTENNA ADAPTER UNIT

Many car owners like to have the antenna mounted on the rear of the car . . . with this unit the regular antenna can be mounted to right rear fender . . . matched to radio and will not affect radio performance.

### CONTINENTAL WHEEL CARRIER

A wheel carrier that gives Chevrolet a continental sports car look . . . gives additional trunk space . . . does not interfere with jacking-up of car . . . sturdy, rattle free, can be operated by anyone.

# TO SERVE YOU *better*

## ACCELERATOR PEDAL COVER

Fits snugly and securely over accelerator pedal . . . helps prevent foot slipping from pedal . . . helps increase life of floor mat.

## DE LUXE CONTOUR FLOOR MATS

Custom tailored to fit exactly the 1956 front compartment . . . cover the car mats sufficiently to protect them from wear and grime . . . easily removed and replaced for cleaning . . . available in six colors.

## RUBBER FLOOR MATS

Large, colorful mats that help keep that new-car look by protecting the regular car mats . . . easy to clean . . . ideal kneeling pad to change tires.

#### **AUTO COMPASS**

A reliable compass . . . most useful when general direction of destination is known . . . illuminated for easy reading at night.

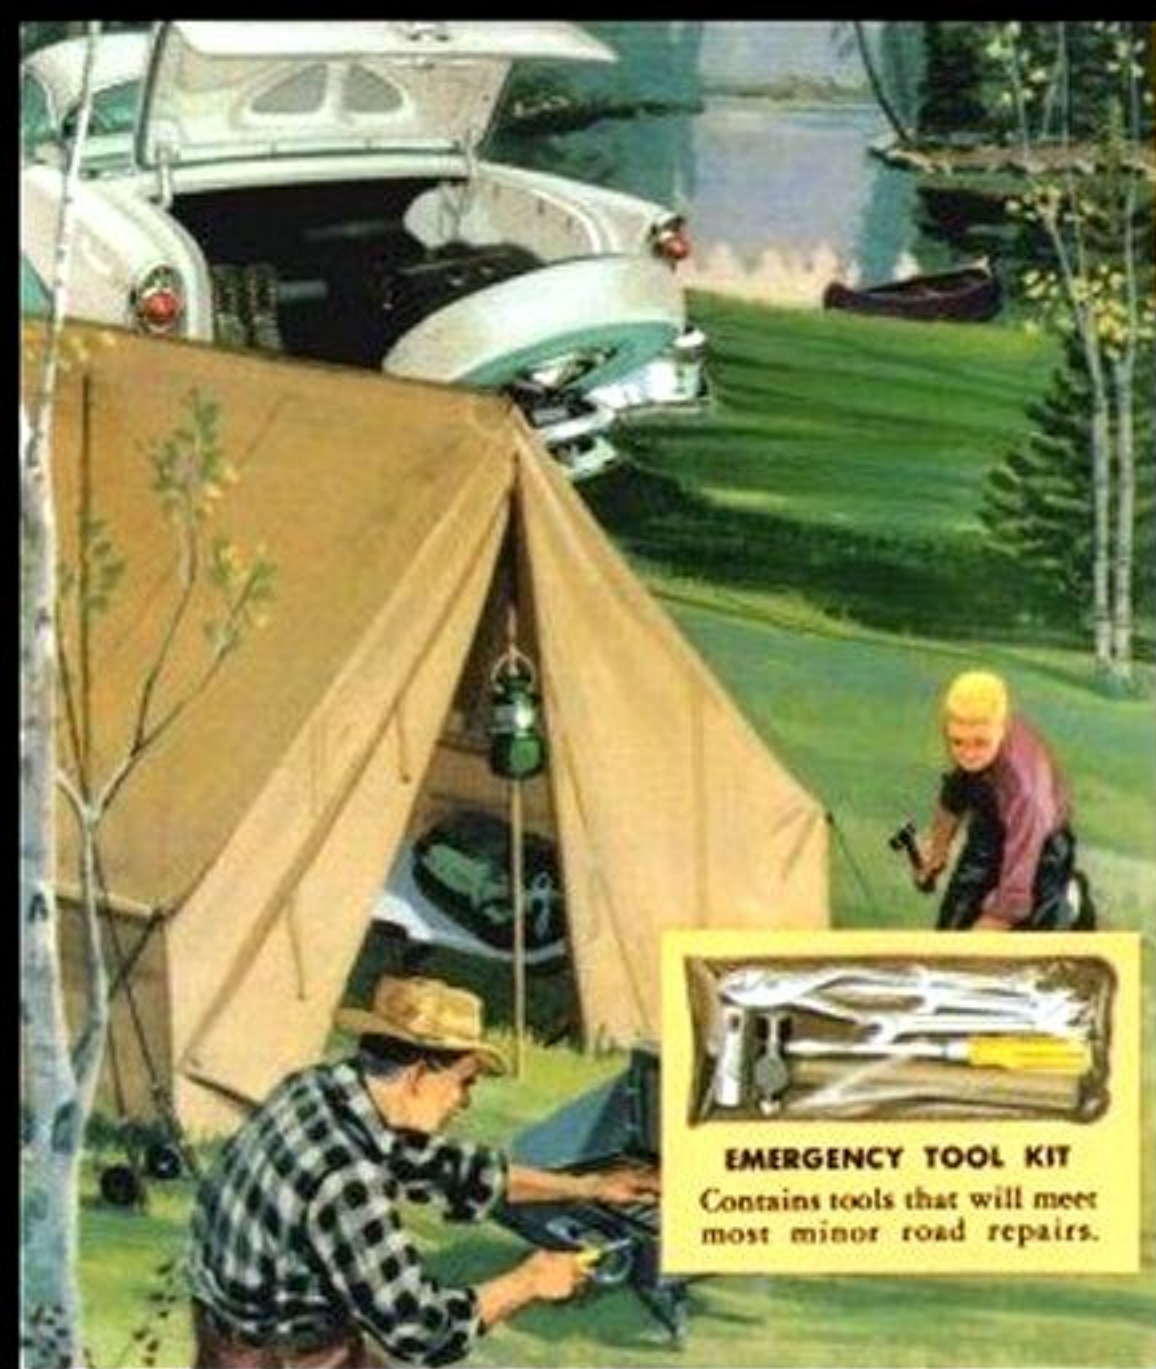

#### **TISSUE DISPENSER**

Conveniently located for both driver and passenger . . . holds full box of standard tissues, having many uses around the car.

#### **G. M. ELECTRIC SHAVER**

A popular three-head shaver with six cutting edges . . . designed for home and car use . . . plugs into cigarette lighter . . . operates on 12 volts D.C. in car and on 110-volt A.C. socket in home.

#### **EMERGENCY TOOL KIT**

Contains tools that will meet most minor road repairs.

#### **SAFETYLIGHT AND MIRROR**

A powerful, sealed-beam light . . . casts a ray of light up to 1,000 feet . . . can be directed in all directions from inside the car . . . ideal for reading house numbers, highway and street markers. Can be installed on right-hand side of car with the addition of a right-hand mounting bracket which is available.

#### **PORTABLE SPOT LAMP**

A powerful, sealed-beam light with a 12-foot cord that plugs into the cigarette lighter. Provides an ideal trouble lamp that reaches around the car.

### LOCKING GASOLINE CAP

Inexpensive insurance against gasoline theft. Nothing can be put in or taken out of the gasoline tank without the keys.

### LICENSE PLATE FRAME

A massive-looking license plate frame that adds a final touch to any car. Frame can be adjusted to fit all states' license plates. A heavy, die-cast frame, nickel-chromed for lasting beauty.

### BACK-UP LAMPS

Light automatically when car is shifted into reverse . . . assist in backing into or out of dark areas or driveways.

#### TOUCH-UP PAINT

A convenient touch-up paint available in all the new Chevrolet colors. Brush retracts into tube when not in use. A quick, easy way to fix nicks and scratches.

#### G. M. ANTI-FREEZE

G. M. PERMANENT type Anti-Freeze is non-evaporating, with high boiling point and a rust and corrosion inhibitor.

G. M. METHANOL Anti-Freeze is an economical cooling system protection with rust and corrosion inhibitor.

#### DOOR EASE

A dry, non-staining lubricant that stops squeaks and sticking doors and windows, ideal for car and home use.

#### G. M. UNDERCOATING

Provides a tough coating, sealing the underside of the car and fenders against rust, corrosion and abrasion; deadens road noises.
