FULL-SIZE BLAZER

1987

On the road. Off the road. Blazer is the full-size 4x4 with the power, the drive and the build to blaze a trail to just about anywhere.

THE POWER.

- Standard 5.0 Liter V8 engine with 170 HP at 4,000 RPM.
- Electronic Fuel Injection for surefire starts, hot or cold, and efficient combustion.
- Standard power brakes.
- Standard power steering.
- The diesel model full-size Blazer is powered by a 6.2-liter engine. In fact, Blazer is the only full-size sport utility vehicle available with diesel engine power.*

THE DRIVE. Blazer has a gear for all seasons and all driving situations.

- 4-speed manual transmission is standard. Optional: a 4-speed overdrive automatic.
- Use 2WD for normal driving and highway situations.
- Choose 4x4 High for off-roading and rugged terrain.
- Gear down to 4x4 Low for deep mud and snow.
- Dependable manual locking hubs are standard. The optional automatic hub system allows front hubs to be engaged without leaving the driver's seat. The 2-speed transfer case allows shifting into 4x4 High at speeds up to 25 MPH with automatic hubs.

■ P215/75R-15 steel-belted all-season radial tires put Blazer's power and tenacity on the ground.

THE BUILD. Full-size Blazer is constructed on a solid, go-anywhere, take-the-punishment foundation.

- The carbon steel frame includes sturdy side rails and cross members.
- The front stabilizer bar is 1.25" in diameter.
- Reverse-arch front springs lower the body height without reducing clearance.
- Two-stage multileaf spring rear suspension cushions the ride in even the toughest terrain.

In a downsize world, Blazer remains completely uncompromised. It's still the full-size 4x4 with the rugged stuff it takes to tackle the outback — and win.

*Excludes other GM products.

Blazer 4x4 with optional Silverado trim and the optional Exterior Decor Package in Doeskin Tan and Apple Red.

Below far left: Properly equipped, Blazer can move up to 11,000 lbs. (includes vehicle, trailer, cargo, equipment and crew). Blazer 4x4 with optional Silverado trim and optional Exterior Decor Package in Black and Silver.

Blazer makes its mark in snow country. For snowplow applications, optional equipment is required. See your Chevy dealer and snowplow distributor for details. Blazer 4x4 Custom Deluxe in Indian Bronze Metallic.

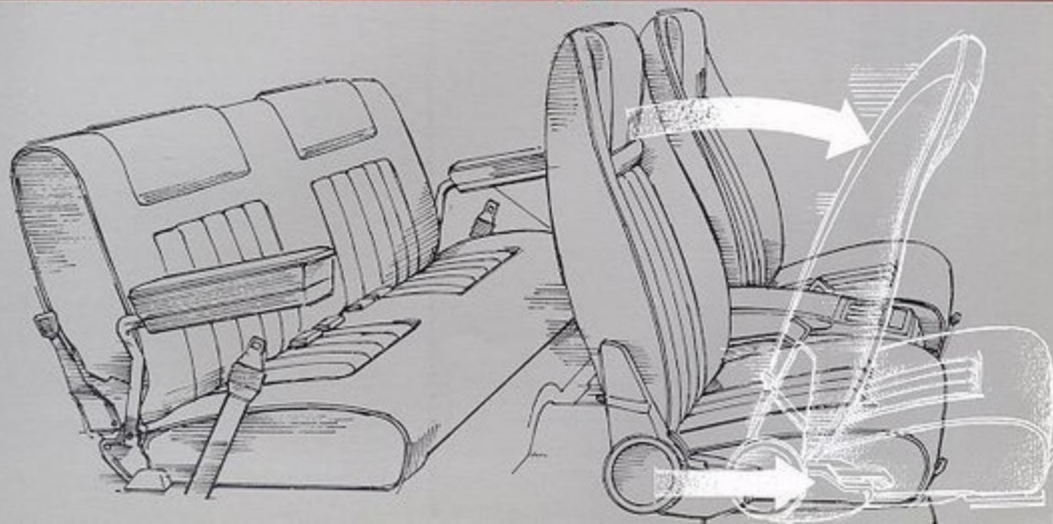

The optional automatic locking hubs/transfer case system allows shifting into 4x4 High at speeds up to 25 MPH.

Shown on front cover: Blazer 4x4 in Midnight Black with optional Silverado trim. Tires supplied by various manufacturers.

The optional Silverado interior, shown in Burgundy Custom Vinyl.

The front passenger seat slides forward for ease of access to the optional rear bench. A gentle push then returns the seat to its preset position.

FULL-SIZE BLAZER INTERIORS

You may be rough on Chevy Blazer, but it won't be rough on you. No matter how harsh things get around you, you'll stay comfortable inside.

INTERIOR COMFORTS.

- Front buckets are built of foam for long-wearing, sag-free seating.

- The optional rear bench expands passenger seating capacity to five.

- The front passenger seat includes a sliding mechanism: When you fold down the bucket, it automatically slides forward to provide passage, then returns easily to position.

- The fully padded instrument panel accommodates easy-to-read gauges in a black finish with bright trim.

- Two interior lamps light the way inside.

CUSTOM DELUXE TRIM.

This is the standard trim level, which includes:

- Seats covered with easy-to-clean vinyl fabric.

- Color-keyed molded door trim panels.

- Black rubber floor mats.

- Tinted glass.

OPTIONAL SILVERADO PACKAGE.

These top-of-the-line accommodations include:

- Color-keyed carpeting, which extends throughout the vehicle when the optional rear seat is ordered.

- Your choice of Custom Cloth or Custom Vinyl seat fabrics.

- Custom steering wheel.

- Brushed pewter-toned door and instrument panel trim.

- Center console with storage and beverage pockets.

- Gauges replace warning lights in the instrument panel.

- The instrument panel is trimmed in pewter-toned brushed finish.

- Right visor mirror.

- Spare tire cover.

- Exterior Silverado appoint-

ments include deluxe body side moldings, bright marker lamp bezels, bright grille trim, headlights and nameplates.

AVAILABLE OPTIONS. A full complement of items — from air conditioning to sound systems to a heavy-duty suspension — are yours to enjoy.

CARGO CAPACITY. When it's time to pack in cargo, it's obvious why this Blazer is called "full-size."

- There's room for 800 pounds of payload and three rear seat passengers with optional seat.

- Almost five feet of cargo space opens up when the rear seat is folded down.

- A wagon-style tailgate facilitates loading and unloading.

Full-size Blazer is impressive, whether you need riding comfort, cargo capacity, or a tough combination of both.

FULL-SIZE BLAZER DIMENSIONS

IMPORTANT: A WORD ABOUT THIS CATALOG. We have tried to make this catalog as comprehensive and factual as possible and we hope you find it helpful. However, since the time of printing, some of the information you will find here may have been updated. Also, some of the equipment shown or described throughout this catalog is available as factory-installed options, dealer accessories, and specialized equipment from various independent suppliers at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date. The right is reserved to make changes at any time, without notice; in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

A WORD ABOUT ASSEMBLY, COMPONENTS AND OPTIONAL EQUIPMENT IN THESE CHEVROLET PRODUCTS. The full-size Chevrolet Blazers described in this catalog (Series V10) are assembled at facilities operated by General Motors or GM of Canada. These vehicles incorporate thousands of different components produced by car and truck groups and various component divisions of GM and by various suppliers worldwide to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Chevrolet products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to factory-installed extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your vehicle is built. Your dealer receives advice regarding current availability of options. You may ask your dealer for this

information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your vehicle includes the optional equipment you ordered or, if there are any changes, that they are acceptable to you.

These vehicles are also available under the GMC nameplate GMC Jimmy Series V1500.

A WORD ABOUT ENGINES. Chevrolet trucks are equipped with engines produced at facilities operated by GM car and truck groups, subsidiaries or affiliated companies worldwide.

A WORD ABOUT UPDATED SERVICE INFORMATION. Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

AS PART OF THE 1987 CHEVROLET NEW-VEHICLE LIMITED WARRANTY, your Chevy truck includes three-year perforation-from-corrosion coverage. Exhaust system components not included. See your Chevy dealer for details and other limitations.

FOR INFORMATION ON ANY NEW CHEVY TRUCK. See your Chevy dealer for a complete selection of 1987 truck catalogs. They cover ■ Chevy S-10 Blazer ■ Chevy S-10 Pickup ■ full-size Chevy Pickup ■ Suburban ■ El Camino ■ Chevy Van/Sportvan ■ Astro/Astro Van ■ all Medium-Duty Chevys and the ■ Chevy Recreation and Trailing Guide. **LET'S GET IT TOGETHER ...BUCKLE UP.**

THE GM PROTECTION PLAN. An option that offers service protection in addition to that provided by GM's new-vehicle limited warranty. Available only in the U.S. and Canada for the 1987 model year. Ask your dealer about this option.

AT-YOUR CHEVROLET DEALER'S, FINANCING or leasing your new Blazer can be as easy as saying **GMAC.**
